We Who Hunt Alexanders Jason Sanford,2025-07-22 Amelia is a ripper a monster who feeds on violent people who have so thoroughly forsaken love that they ve burned away their souls Unseen and unnoticed by most of society and living as both hunter and hunted the only emotion rippers feel is anger But Amelia is different from her fellow rippers and also feels happiness sadness fear love and every other emotion To her mother Danjay that makes Amelia the strangest of all monsters Driven from their home by religious zealots Amelia and Danjay must learn to survive in the city of Medea where violent men rule and kill anyone who opposes them Worse Amelia has never hunted on her own and her mother is ill and growing weaker by the day Only a chance encounter with a human who can see Amelia gives her any hope that she might be able to save her mother To succeed Amelia must learn to hunt in an increasingly dangerous city brought to the brink of war by the corrupt rich and powerful Amelia will also have to discover if her differences from her fellow rippers makes her weak as her mother believes or if she can instead be a new kind of monster that the world has never seen before **The Alexanders** Joseph Philipps,1919 *California Fruit News* ,1909 Alexanders' empire and Roman Empire ,1898 **Catalogue of the**
