## All A James Broughton Reader:

All James Broughton,Jack Foley,Bo Young,2007 In a lifetime that stretched from 1913 to 1999 James Broughton witnessed and commented on most of the twentieth century His commentary made from the point of view of an outsider was leveled at some of the century s most precious myths Broughton countered myth with myth In a time aghast at its own horrors Broughton championed laughter He was a poet not of the ivory tower but of the innovative street a playful urban voice with the notion that a poet could change the world In a rational century he asserted mystery All A James Broughton Reader collects the range of this acclaimed poet and filmmaker

[Creating Experimental Documentary Films](#) Pablo Frasconi,2025-06-30 This book explores the continued development and practice of experimental documentary film making with evolving trends in still photography visual arts journalism installation art docudrama interactive media music poetry and creative nonfiction Through examples observations analyses and exercises readers will gain an understanding of the traditional principles of documentary and simultaneously challenge those conventions While exploring the responsibilities of a documentary director to be fair and objective the book weaves through arguments around truth and propaganda and offers practical lessons about how to create hybrid forms of documentary films Written by a documentary filmmaker with decades of experience the text provides a comprehensive overview of how documentary narratives are written and created in the research pre production production and post production phases New inclusive audiences and methods of distribution interactivity and immersion are also introduced as part of the changing landscape of the documentary genre This book is designed for students who are approaching documentary for the first time as well as documentary filmmakers who are searching for new approaches new subject matter and languages of cinematic expression

[Just Tell Me What I Want](#) Sara Kravitz,2017-09-12 If you desperately want to change your life but have no idea what to change it to then let this guide help you pinpoint your true desires How do you figure out what you want Just Tell Me What I Want is for anyone who has ever been told to follow their bliss and then immediately wanted to punch that person in the face Maybe you feel like you should have things figured out by now Maybe you think things should be better but you don t know how to get started Maybe you would love to work really hard toward something but aren t totally sure what that something is What if there was actually a way to get you pointed in the right direction And what if it didn t involve someone telling you to follow your bliss Change can be scary Change can feel risky But taking a chance is always worth it Just Tell Me What I Want helps readers take the right steps for them to figure out what they want

[Pronoia Is the Antidote for Paranoia, Revised and Expanded](#) Rob Brezsny,2009-09-22 Readers were instantly beguiled by Rob Brezsny s new approach to the humble horoscope when his Free Will Astrology column first appeared in 1996 Instead of the generic one size fits all style of similar columns Brezsny used witty parables tender rants cultural riffs pagan wisdom and lively rituals in his playfully positive readings He brings that same sensibility and the same message of a smiling universe to this self help book for people who may be skeptical about self

help books Brezsny persuasively advises readers to go along with the universe's good intentions but his rejection of cynicism and a bleak view of human nature isn't rooted in denial. On the contrary, he makes a case for a cagey optimism that requires a vigorous engagement with the dark forces. He asks us to rethink life as a sublime game created for our amusement and illumination. The book is a chameleon of a tome. You can read it straight through slowly and surely or else pick it up and open it at random for tasty hits of inspiration as the spirit moves you. You can even start at the end and weave your way backward. Brezsny has substantially updated this edition; he added nearly one hundred pages by expanding various sections, adding more than a dozen new pieces and a new chapter, and providing readers with a number of playtime activities and exercises that let them participate through their own writing and drawing. Brezsny's horoscopes are like little valentines, buoyant and spilling over with mischievousness. They're a soul prognosis. *The New York Times*
