Lucifer ,1892 **Baba** Rampuri,2005 Although this book often reads like a fast paced adventure story it is the true account of a nineteen year old American the son of a Beverly Hills pediatric surgeon who in the late 1960s after experimenting with drugs sex and political activism set off for India in search of the truth He arrived with twenty dollars in his pocket and enchanted by the extraordinary world he found there explored the country until he stumbled into the presence of Hari Puri Baba a yogi in the ancient tradition of the Renunciates of the Ten Names Hari Puri proceeded to shave the young stranger s head and initiate him into his order Now called Rampuri the young man embarked on a discipleship unlike anything he had ever imagined He had to learn Hindi and Sanskrit overcome opposition as an outsider and deal with the battle that raged within him as he attempted to reconcile the Western view of India with the reality of its culture and beliefs Despite overwhelming odds and the mysterious death of his guru he stayed the course and has remained in India to this day As Rampuri reveals the teachings he received and describes the rituals and pilgrimages in which he participated it becomes clear that this is an unprecedented telling of one man s sacred initiation and training and a must read for any serious seeker
