than the story of how mountain water came to flow from spigots in Brooklyn and Manhattan Soll concludes by focusing on the landmark watershed protection agreement signed in 1997 between the city watershed residents environmental organizations and the state and federal governments After decades of rancor between the city and Catskill residents the two sides set aside their differences to forge a new model of environmental stewardship His account of this unlikely environmental success story offers a behind the scenes perspective on the nation s most ambitious and wide ranging watershed protection program Health and Pleasure on "America's Greatest Railroad" ,1892 School ,1918 **Forest and Stream** ,1921 *The Catskill Mountains* Ulster & Delaware Railroad.
