Exposition Of Second Timothy:

Exposition of Second Timothy N a Woychuk,2002-12-09 In this book a verse by verse exposition was attempted and the eight chapter headings are as follows 1 Reviewing the Blessings of the Gospel 2 Strengthening the Man of God 3 Dealing Faithfully with the Word of Truth 4 Exposing False Principles 5 Continuing in the Holy Scriptures 6 Preaching the Word 7 Loving His appearing 8 Calling the Roll of His Fellow Laborers The book had been widely circulated in the Spanish translation and one of the Spanish pastors has said that the book was regarded as one of the finest commentaries on the book of Second Timothy

Henceforth a Crown Henry T. Hudson,2009-02 Going beyond the common text in context approach to Paul s letter to Timothy Dr Henry T Hudson introduces pretext and subtext into his exposition He does this in order to bring home to the hearts of contemporary Christians what lay at the center of Paul s concern for the challenges that were before Timothy as he took over the leadership of the Church Paul was in prison in Rome and was awaiting execution The madman Nero was emperor There were many false prophets abroad and Christians everywhere were suffering persecution Paul even told Timothy that in the last days perilous times shall come How would he then counsel him He was comparatively speaking a young man He was also afflicted with frequent infirmities Pastor Hudson explores what Paul wrote and he does so trying to enter into the mind and heart of Paul He is of the opinion that what he wrote has practical bearing for Christians facing the challenges of life in the twentieth century

Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of these epistles to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text pericope The three letters collectively the Pastoral Epistles are divided into eighteen pericopes and what the author is doing with what he is saying in each is explored The overall theological trajectory of the Pastoral Epistles concerns the promotion of God's economy by the community of God's people The specific theological thrust of individual preaching units is captured in this commentary making possible a sequential homiletical movement through each pericope of the three epistles While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the eighteen preaching units of the Pastoral Epistles The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through 1 and 2 Timothy and Titus with an emphasis on application
