book is truly a librarian's best friend *Language Hacking Spanish* Benny Lewis, 2017-03-28 It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea: Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts, and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks, shortcuts that make learning simple that Benny mastered while learning his 11 languages, and his speak from the start method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only other people can do. It's about being smart with how you learn learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking mission that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking missions with other learners, getting and giving feedback and extending your learning beyond the pages of the book. You don't need to go abroad to learn a language any more.

**Spain For Dummies** Neil Edward Schlecht, 2007-06-12 Art and architecture lovers, ecotourists, history buffs, gourmands, wine aficionados, culture scholars, outdoor sports fanatics... Spain truly has something for everyone. Its good weather and many varied attractions make it ideal for year-round vacationing. Spain is the home of diverse cultures and traditions. From the stoic independence of the Basques to the progressive architecture and design of the Catalans and the sultry rhythms and sun-drenched siestas of the Andalusians, you'll discover an intriguing, welcoming country. This guide gets you going with info on the three major areas: Northern Spain (including Barcelona, the Costa Brava, and the Basque Country), Central Spain (including Madrid and Castile), and Southern Spain (including Andalusia, Seville, Cordoba, and Granada). How to get the best seats at a bullfight, strolling Barcelona's La Rambla, a vibrant street parade, or tripping along on a tavern and tapas crawl.
