Abortion Between Freedom And Necessity:

Abortion Janet Hadley, 1997-09 Abortion is still not talked about Few women admit to having one It is too personal and it is still taboo Yet this intimate personal issue has become sensationally and bewilderingly public it has even brought down governments a paradox which the author found intriguing enough to start her on the project of this book In this worldwide survey of abortion politics Janet Hadley argues that abortion should be legal accessible affordable and accepted the world over

Reproductive Freedom Maja Kirilova Eriksson, 2021-09-27 This is the first book to provide a comprehensive investigation of reproductive freedom in the light of contemporary international law The author discusses reproductive freedom in the context of feminist legal theory international human rights and humanitarian law This holistic approach makes the book unique and enhances its value as a comprehensive resource on the most challenging and contentious issues of our time i e legal abortion medically assisted reproduction surrogate motherhood forced pregnancy during armed conflicts and many others The author s aim is to advance current debates about gender equality and reproductive rights and to deepen the analysis of the legal concepts involved In surveying the international commitment to women s rights and examining critically the way in which international global and regional human rights bodies and ad hoc international tribunals deal with issues pertaining to reproductive freedom and sexual violence this volume makes clear to what extent contemporary international law norms may be used as a tool for change and how they need to be adapted to meet the special needs of girls and women worldwide Finally the book explores what improvements are necessary to prevent and protect adolescents women and men against violation of their reproductive freedom

Freedom and the Court Henry Julian Abraham, Barbara Ann Perry, 1998 This classic study now completely updated remains the basic work in the field Freedom and the Court is the best and most comprehensive textual summary of the Supreme Court s work on civil liberties and civil rights The new edition includes all new court decisions on civil liberties through January of 1997 Lucid lively impeccably researched and enormously readable it is indispensable to the teaching of civil liberties and the Supreme Court

Social Issues of India , **Contemporary Review** , 1897 **The Contemporary Review** , 1897 *The UCI Undergraduate Research Journal* , 1998

Conspicuous Criticism Christopher Shannon, 2006 Originally published in 1996 and newly revised Conspicuous Criticism is a ringing defense of the need for religion and tradition in contemporary society Writing with moral passion and critical verve Christopher Shannon offers a convincing indictment of the forces that isolate the individual in modern capitalist society and counters more than a century of efforts by modern intellectuals to displace tradition in favor of a humanism that actually diminishes humanity in the name of freeing its potential Featuring in depth analyses of the works of John Dewey Thorstein Veblen C Wright Mills and others Conspicuous Criticism is a call to reinstate traditional relations to God nature and the common good Scholars in fields from American studies to intellectual history will be forced to grapple with Shannon s trenchant critique which is well on its way to becoming a classic of Christian thought Conspicuous Criticism

inspired a concern about the modern world that in the years since I've not been able to brush aside Eric Miller First Things

Applying Ethics Jeffrey Olen, Vincent E. Barry, 2002 This best seller combines text readings and cases to provide an outstanding introduction to moral philosophy engaging students in the most perplexing issues of our time without sacrificing philosophical integrity. Numerous readings by philosophers and writers and contemporary case studies make chapter topics lively centerpieces for discussions. Each chapter begins with the author's presentation of the topic and is followed by readings with brief introductions. This is then followed by cases that enhance the application of concepts to the real world. Both readings and cases are followed by Questions for Analysis.

Women and International Human Rights Law Doreen M. Koenig, 1999 Cohen **Ethics** Barbara MacKinnon, 2001 Combining theory and issues with text and readings this ethics text begins with coverage of ethical theory utilitarianism, Kant's moral theory, natural law and virtue ethics. It then goes on to discuss contemporary ethical issues ranging from personal ones such as sexual morality and euthanasia to matters of public policy such as legal punishment and international concerns such as war and peace and economic justice.

The Utne Reader, 1997 **Taking Sides : Clashing Views on Moral Issues** Stephen Satris, 2008

Historical and Multicultural

Encyclopedia of Women's Reproductive Rights in the United States Judith A. Baer, 2002-04-30 Focusing primarily on the late 20th century US this encyclopedia further develops information in existing reference works on birth control, abortion and women's rights. Multiparagraph to multipage articles consider not only laws, court cases, political attitudes, technological advances and prominent activists and organizations but also experiences of various racial, ethnic, age, class, ability and religious groups concerning issues related to reproduction. A substantial introduction provides an overview of current ethical, legal and political issues.

Protest Politics Frederick F. Ridley, A. G. Jordan, 1998 Issues addressed include calf exports, opposition to road building, nuclear power, Brent Spar, animal rights, gun control and pro life.

Women, Law, and Public Opinion Krishna Gupta, 2001 With reference to India

Women Under the Law Aileen McColgan, 2000 Rights are frequently regarded as a panacea against discrimination and disadvantage. Aileen McColgan's powerfully argued book challenges this view. Using women as an example of a disadvantaged group the author questions the utility of entrenched rights to women in their roles as workers, mothers and victims of violence. Women Under the Law is of particular topical interest given the incorporation of the European Convention on Human Rights into UK law by the Human Rights Act 1998. The Act is widely seen as a progressive legal development. The author challenges the assumption that incorporation will improve the position of women and of disadvantaged groups in general drawing attention to the unequal access to justice of the disadvantaged a problem reinforced by the proposed changes to Legal Aid. She also highlights the predominantly individualistic nature of the rights incorporated and focuses on the increased judicial power associated with the provision of legal rights which are of their nature abstract and ill defined. In order to assess how the British courts might interpret and apply the rights incorporated by the 1998 Act the author considers the impact on women of entrenched rights in a number of different legal

systems The primary focus is on Canada and the United States although Ireland and Germany are also examined in some detail Women Under the Law will be of interest to academics students and legal practitioners in the fields of human rights law constitutional law discrimination law labour law and family law The strong political and social implications of the human rights debate will also ensure a significant readership for the book among academics and students of social policy women s studies sociology and politics **Taking Sides Moral Issues** Stephen Satris,2003 A debate style reader provides an introduction to each moral issue covered followed by two arguments presenting opposing viewpoints on the topic **Taking Sides** Stephen Satris,2002 Contains nineteen pairs of essays that present opposing viewpoints on issues of morality and moral philosophy discussing feminism abortion human cloning affirmative action the legalization of drugs animal rights and other topics *Women's Studies Index, 1998* G. K. Hall and Co. Staff,GK Hall,1999
