

## *The five typical drivers:*

It's important to remember that you have three major goals in certain areas. These are: "What motivates you in your life? What drives you to do things? What are your goals? What are your ambitions?" Each of these areas has its own drivers.

1. Financial well-being

Financial drivers include:  
Financial freedom, financial independence, financial security, financial stability, financial growth, financial success.

2. Health and physical well-being

Health drivers include:  
Health, physical health, physical well-being, physical fitness, physical health, physical strength, physical energy.

## GET AN OVERVIEW

This hierarchy of needs says that when you meet your needs, you can live up to your full potential. Check for yourself to what extent that agrees with you? Feel into yourself again, connect with your visualization. Do you then start to implement everything step by step to get closer to your goal?

Development of your potential:  
Self-realization
