All Wanted Know About Health Ebook:

Ettinger's Textbook of Veterinary Internal Medicine - eBook Stephen J. Ettinger, Edward C. Feldman, Etienne Cote, 2024-01-03 Selected for Doody's Core Titles 2024 with Essential Purchase designation in Veterinary Medicine Now

Ettinger's trusted all-in-one veterinary resource is even better. Trusted by small animal veterinarians for more than 50 years, Ettinger's Textbook of Veterinary Internal Medicine adds new content on the field's leading issues and trends to its unmatched gold standard coverage of the diagnosis and treatment of medical problems of dogs and cats. Coverage begins with the basics of veterinary medicine followed by sections on differential diagnosis for chief complaints and for clinicopathologic abnormalities and continues with techniques, minimally invasive interventional therapies, critical care toxicology, diseases by body system and comorbidities. Clinical information is presented in a way that reflects the practitioner's thought process. With each purchase of this two-volume print book, Ettinger's includes access to a fully searchable eBook featuring more than 750 videos that bring procedures to life. UNIQUE 50th anniversary edition of this classic textbook. NEW Coverage of the latest information and trends includes epilepsy, aerodigestive disorders, patient triage and stabilization, enteric protozoal diseases, pulmonary thromboembolism, point of care ultrasounds, immunodeficiencies and more. More than 750 original clinical videos are included with purchase of the print book, providing content you can believe in. Forget those time-consuming searches on YouTube as each video expertly breaks down veterinary procedures and important signs of diseases and disorders that are difficult or impossible to understand from written descriptions alone. NEW PDFs in Techniques chapters include a printable pull list of the equipment and materials needed for specific techniques, along with check boxes accessed through eBook. Included with print purchase, eBook version is included with purchase of the print book, allowing you to access all the text figures and references with the ability to search, customize content, make notes and highlights, and have content read aloud. The eBook also offers the complete collection of original video clips, heart sounds, client information sheets and hyperlinking of references to their source abstracts in PubMed. NEW Additional new material is included on nutritional cardiomyopathy, coronavirus infections, host-microbial interactions in gastrointestinal health and autonomic nervous system disorders. More than 200 clinical algorithms aid in disease identification and decision making. Fully searchable online text offers quick access to the most important, newest and relevant veterinary information. More than 250 client information sheets are available in the eBook, included with print purchase, with short, easy-to-understand clinical descriptions of conditions, diagnostics and treatment options. These pages may be downloaded, customized and printed as client handouts. Thousands of references for the printed book are accessible online. Expert contributors from around the world provide practical insight into the latest advances and issues affecting small animal medicine.
