**Allah is Not Obliged** Ahmadou Kourouma,2011-06-01 ALLAH IS NOT OBLIGED TO BE FAIR ABOUT ALL THE THINGS HE DOES HERE ON EARTH These are the words of the boy soldier Birahima in the final masterpiece by one of Africa's most celebrated writers Ahmadou Kourouma When ten year old Birahima's mother dies he leaves his native village in the Ivory Coast accompanied by the sorcerer and cook Yacouba to search for his aunt Mahan Crossing the border into Liberia they are seized by rebels and forced into military service Birahima is given a Kalashnikov minimal rations of food a small supply of dope and a tiny wage Fighting in a chaotic civil war alongside many other boys Birahima sees death torture dismemberment and madness but somehow manages to retain his own sanity Raw and unforgettable despairing yet filled with laughter Allah Is Not Obliged reveals the ways in which children's innocence and youth are compromised by war

*Francophone African Narratives and the Anglo-American Book Market* Vivan Steemers,2021-03-01 In recent years the material circumstances governing the production of African literature have been analyzed from a variety of angles This study goes one step further by charting the trajectories of a corpus of francophone African sub Saharan narratives subsequently translated into English It examines the role of various institutional agents and agencies publishers preface writers critics translators and literary award committees involved in the value making process that accrues visibility to these texts that eventually reach the Anglo American book market The author evinces that over time different types of publishers dominated both within the original publishing space as in the foreign literary field contingent on their specific mission be it commercial ideological or educational as well as on socioeconomic and political circumstances The study addresses the influence of the editorial

paratextual framing pandering to specific Western readerships the potential interventionist function of the translator and the consecrating mechanisms of literary and translation awards affecting both gender and minority representation Drawing on the work by key sociologists and translation theorists the author uses an innovative interdisciplinary methodology to analyze the corpus narratives

*The Explanation of the Qur'an Is Allah's One Religion Book* Al Masri,2020-08-18 My explanations are only an attempt to present this Holy Miracle Book This interpretation trial to extract the exact deep meaning of these texts verses ayah and surah of this Final Testament Quran This attempt is for every one searching for the truth in this world in a mannerly civilized dialogue while respecting each others beliefs and looking for the real second birth for each one of us Since no one has gotten the chance to read about all other faiths this Miracle Book will bring to you all this information which will lead us to find the One Religion Allah SW wanted the Quran to be a miracle and proof It was sent as a challenge for the non believers And if you want to challenge someone to prove superiority you must challenge them in something they excel at You cannot challenge a weak or disabled person in weightlifting which would prove nothing You have to challenge a weightlifter So when the Quran came and challenged the Arabs in their own language and prevailed it did not mean that the Arabs at that time were weak in language arts To the contrary it is a testimony that they excelled in their language and

mastered it at a high Shakespearean level So when the Quran prevailed over them linguistically it became a real triumph The purpose of the revelation of the Quran was not to reveal scientific explorations or to explain the secrets of creation These matters remain hidden in its verses and are revealed in their proper time It is when the scientific minds are active in the search and study of such areas that Allah SW makes these verses shine with their true meaning This makes each scientific revelation in the Quran more appropriate for its time and more impactful as it is delivered when the scientific minds are ready for it The Prophet left the explanations of the Quran which are not related to matters of duties and religious law to be revealed by time This real story with two separate events first one starts with a rich man who owned a vast estate but had no heir to inherit this wealth His nephew filled with greed conspired against and killed him When night fell he threw the body at the doorstep of another village in order to frame them for his uncle s murder The next morning as people saw the body they naturally accused the village of his murder And despite their denial the relatives of the victim insisted on blaming them After the matters escalated and the two villages clashed they decided to resort to Prophet Moses so that he may ask Allah SW to resolve the issue and identify the murderer The second event Allah SW was helping a pious man on his straight path This man from among st the Children of Israel kept Allah SW in mind in all his business and social dealings As death approached him all he had was a baby cow and his only heir at the time was his little boy He was unsure about whom he should entrust his small fortune to Who would be best to take care of the calf until his son is able to take care of it for himself and his mother He pondered long then turned to the heavens and supplicated Lord I entrust this cow to you protect it for my son until he grows older Then he said to his wife I have entrusted the cow to Allah SW I didn t find anyone more trustworthy than Him She asked So where is it now He replied I left it to roam free in the fields Shortly after he died When the son grew older his mother told him the story He asked Where can I find that cow after all these years His mother replied your father entrusted the cow to the Lord Rely on Him and search for it The young man supplicated Lord of Abraham return to me what my father had entrusted to you and then set out searching for it He found the cow exactly as his mother described it to him This cow was also the only one that perfectly fit Allah s description to the quarreling villagers Thus when they found they set out to purchase it at any price The young man agreed to sell it in exchange for its weight in gold When the villagers slaughtered this cow and struck the dead victim with it he was resurrected to declare the name of his killer Thus the name of this chapter The Cow affirms the central issue of resurrection in all faiths leading to the One Religion creed In addition the story also teaches us that parents righteousness plays a great role in the protection of their children Through the good deeds of the parents Allah SW facilitates the affairs of the children and protects them from harm When the righteous man entrusted all he had to Allah SW Allah SW blessed protected and nurtured it so that his son may find great treasure when he grew older Being upright and righteous is the best insurance one can give his or her children as it instills Allah s blessing and protection into every aspect of the child s life
