

Apple Tree

Way up high in the apple tree,
Five little apples smiled at me.

I shook that tree
as hard as I could,
And, down came those
apples. Mmm, were
they good!

Apple Tree Collection Poems:

The Apple Tree Mrs Inge a. Danaher,2015-12-03 Many years ago as I was pondering a problem I felt the urge to pick up a pen and write Out came something vaguely resembling a poem At least it was verse that rhymed When I finished and read it I realized that from somewhere inside of me had come an answer to the issue that was troubling me To me it felt like an answered prayer and for many years this is how I meditated I called these early poems my prayer poems Sometimes I would share them with family and friends and often people especially my mother would say I should write them in a book as others may also benefit from them or enjoy them Over the years I added other type of poems to these early prayer poems and I found poetic verse a great way to express my feelings about the world around me about issues about the people that came across my life about love about humor but mostly I wrote to help myself deal with situations When illness struck I suddenly had more time and decided to turn this into a proper hobby I found these poems a great way to communicate But the rest of my story is in the introduction of my book I will leave you with a poem and hope that you enjoy the others in my book The Sunset In the far horizon Near the edge of the ocean Glows the sky a brilliant red Evening s glorious gift Before the dark of night Overshadows the land once more Relaxing on the warm sand Glad to be alive
