Apple Pro Training Series David Nahmani,2010-04-14 Completely revised and updated for Logic Pro 9 and Logic Express 9 this Apple certified guide shows you how to record produce and polish music files with Apple s professional audio software Veteran music producer David Nahmani s step by step instructions teach

you everything from basic music creation to advanced production techniques using Logic's software synthesizers samplers and digital signal processors. Using the book's DVD files and either Logic Pro 9 or Logic Express 9 you'll begin making music in the first lesson. Whether you're looking to use your computer as a digital recording studio, create musical compositions or transfer that song in your head into music you can share, this comprehensive book/DVD combo will show you how. DVD ROM includes lesson and media files. Focused lessons take you step by step through professional real world projects. Accessible writing style puts an expert instructor at your side. Ample illustrations and keyboard shortcuts help you master techniques fast. Lesson goals and time estimates help you plan your time. Chapter review questions summarize what you've learned and prepare you for the Apple Certified Pro Exam. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips. If you are able to search the book search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device it is possible that your display settings will cut off part of the URL. To make sure this is not the case try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear. *Logic Pro 9 and Logic Express 9* David Nahmani, 2010. Uses real world music and hands on exercises to teach you how to record, arrange, mix, produce and polish audio and MIDI files in a professional workflow.

Logic Pro X - How It Works Edgar Rothermich, 2013-11-07. This book is also available as a pdf download for 15 from my website DingDingMusic.com. Manuals Logic Pro X How it Works was not only the first manual available for Apple's new music production app Logic Pro X, it is the most comprehensive one. On 396 letter size full color pages the author explains the app in great detail with additional background information that is often required to fully understand specific features. Many of the information regarding the functionality of Logic Pro X is found neither in the official documentation nor anywhere else. Logic Pro X is a very deep and sometimes complex application that users, beginners and pros alike, often struggle with. This is where the unique approach of the Graphically Enhanced Manuals series comes in. No matter how complex or complicated the subject is, the author provides easy to understand graphics and diagrams that let the reader understand and master the material. The follow up books Logic Pro X the Details part 1 and Logic Pro X The Details part 2 cover the more advanced topics. What are Graphically Enhanced Manuals (GEM)? They're a new type of manual with a visual approach that helps you UNDERSTAND a program not just LEARN it. No need to read through 500+ pages of dry text explanations. Rich graphics and diagrams help you to get that aha effect and make it easy to comprehend difficult concepts. The Graphically Enhanced Manuals help you master a program much faster with a much deeper understanding of concepts, features and workflows in a very intuitive way that is easy to understand. Testimonials. Readers love this unique way of learning applications no matter how easy or complicated the app might be. Here are some responses from satisfied customers:
