She brings her immense generosity of spirit to this beautiful memoir and we are blessed to have her. Clementine Ford When writer Catherine Deveny faced the end of a seventeen year relationship with the father of her children she had no idea what lay on the other side of the months of tumult she just knew she had to create space for a new life. But this wasn't the first time Deveny had taken a plunge into the unknown or let go of conventional assumptions. In True North she shares how she emerged from an oppressive Catholic upbringing in working class Reservoir found her tribe in Fitzroy's sharehouses in the 80s and learnt to live life on her own terms as she navigated the highs and lows of a creative life family legacies and intimate relationships.
