BANNED Weston Brown, 2024-12-15 **BANNED** is a raw and deeply personal memoir that takes readers on an unforgettable journey of self discovery resilience and reclaiming identity Raised in a devout fundamentalist evangelical family steeped in the controversial teachings of the Institute in Basic Life Principles IBLP the author s upbringing was a labyrinth of unyielding rules ever changing theology and a mission to build a Christian Army Friendships with the Duggar family and encounters with other IBLP devotees further reinforced a culture of patriarchal control and spiritual perfectionism Even after escaping one cult like group the author found himself ensnared by the promises of a sprawling megachurch only to discover a world rife with scandal hypocrisy and broken trust Against this backdrop of conformity the author grappled with the weight of faith shame and suffocating expectations in a world that left little room for individuality with limited access to information and censoring of other perspectives The stakes became even higher when he came out triggering a devastating rejection by his parents and a painful disconnection from his younger siblings Through the ache of separation and the bittersweet revelations of love loss and healing **BANNED** explores the tension between loyalty to family and the pursuit of personal freedom The narrative is a tapestry of quiet courage heartbreak and hard won resilience painting a vivid portrait of what it means to leave behind the only life you ve ever known to embrace the one you were meant to live With unflinching honesty and flashes of humor the author shares his journey of deconstructing faith defying expectations and rediscovering belonging in a world that often feels both overwhelming and isolating For readers of *Educated* by Tara Westover *Untamed* by Glennon Doyle and *All Boys Aren t Blue* by George M Johnson **BANNED** offers a compelling and evocative story of hope identity and the courage it takes to reclaim your narrative
