Abundance Through Reiki:

Abundance Through Reiki Paula Horan,2016-01-01 Chinese Medicine and Ayurveda explores the enduring features of humanity's longest and continually practised systems of medicine. These two indigenous healing arts arising independently in China and India communed and exchanged experience, techniques and therapeutic substances over the epochs of their development. This book's interesting and valuable comparison provides a pioneer effort in examining side by side two great systems of medicine, studying closely the historical, theoretical and practical relationships. In so doing, it offers these ancient paradigms into the practice of modern healing for a synergistic, inclusive approach. *Reiki* Walter Lubeck,2003-03-01 FOR

The Metta Way: the Western Path of Lovingkindness George Hondruk,2024-02-21 Offering a recap of the tumultuous times and events citizens have lived through since Korea, *The Metta Way: the Western Path of Lovingkindness* by author George Hondruk shares how we can arrive together at a new spiritual framework for life on this planet through an enlightened democracy. The Metta Seva Way, Hondruk narrates the story of his life and times woven within the seminal events of the Cold War, Civil Rights, his sexual naivete and confusion about what manhood should be, the war in Indochina, the peace movement, his retreat to normalcy, his stirring of spirit, the opioid epidemic, and the major figures of those times with whom he interacted. He tells how he discovered the Metta Seva Way, a better way of living with lovingkindness as the base thought and emotion with selfless service following naturally. Hondruk identifies it as our successful species survival tool. *The Metta Way: the Western Path of Lovingkindness* delivers the message that equality comes through diversity and inclusion and is both the history and destination of democracy America and all of us. **Healing Power Beyond Medicine** Carol A.
