## Academy For Software Engineering:

Our Worldview: We Are Who We Are Bronx Academy for Software Engineering,2022-02 In Our Worldview We Are Who We Are the talented and thoughtful writers at the Bronx Academy for Software Engineering share poignant insights into their lives showing the reader that their lived experiences and cultural capital are not to be brushed aside How wonderful it is to be given these glimpses into the worlds of these young people and ask ourselves is this the world as we see it What do we miss or gloss over every day that these writers are boldly caringly and creatively reckoning with many of these writers are first generation immigrants multicultural voices that have long been silent rise up here to remind us of what we ve always known that the relationship between people and places is always an essential story to tell **#Fix Young America** Young Entreprenuer Council,2012 Our government is being strangled by partisan politics youth employment is at a 60 year low and student loan debt has surpassed 1 trillion and yet young Americans are starting businesses in record numbers all over the United States If we want Millennials and future generations to survive and thrive in the new economy then we need to funnel this entrepreneurial energy into something positive or risk turning the Millennial generation into a lost generation The solutions in this book represent the beginning of an important conversation about how to support and foster the real leaders of tomorrow From policy ideas and educational programs to private sector solutions and philanthropic activities

FixYoungAmerica provides best practices and tangible solutions for solving the epidemic of youth unemployment straight from the individuals and organizations that are already in the trenches working to rebuild an entrepreneurial America right now
