Applications Of Case Study Research Applied Social Research Methods:

Applications of Case Study Research Robert K. Yin, 2012 This book helps graduate students and seasoned researchers strengthen their own case study research and become more critical consumers of the case study research done by others. It presents a collection of 21 individual applications of the case study method many shortened or re written for this book. Following feedback from users of earlier editions of the book the applications include a wide array of single case studies providing useful examples for solo researchers. New to This Edition Expanded from 10 to 15 chapters and from 16 to 21 case study applications the book provides many more examples of the case study method. Contains six entirely new chapters all emphasizing single case and simpler applications and including an introductory chapter which serves as a refresher on the case study method. Provides a new feature called inside stories which are linked to suggested classroom exercises. Includes an expanded section of the book on case study evaluations including an new chapter on the principles of case study evaluations along with a specific and new application

Applications of Case Study Research Robert K. Yin, 2003 Written to

augment the author s earlier extremely successful volume Case Study Research Design and Methods the new edition of this applications book presents and discusses new case studies from a wide array of topics offering a variety of examples or applications of case study research methods. These applications demonstrate specific techniques or principles that are integral to the case study method. Through these practical applications the reader is able to identify solutions to problems encountered during this type of research

Case Study Research Robert K. Yin, 2003 With over 90 000 copies sold of the
