lived in California She lost her mother when she was three years old so she had no memories of her She wondered what her mother looked like as she had no photos of her Then she unraveled the sad story of her mothers demise I write this book to add some closure to the story The demise of Antonia fractured the Pagano family and has scarred several generations Hopefully in my small way I can relate the pleasant as well as the less pleasant qualities of the lives of Antonia and Pasquale Also in this book I would like to celebrate the extended Pagano family In spite of a sad glitch in its history the extended family has much to be proud of Note There is a large notebook titled Pagano Family Archives in the home of the author The entire set of documents is stored there for anyone who wants to view it
