**The Giant Book of Children's Sermons** Wesley T. Runk, 2003-03 Here at last is the comprehensive collection you've been searching for to minister effectively to your children during worship Drawn from every book of the New Testament The Giant Book Of Children's Sermons Matthew To Revelation contains five full years worth of material you can share with your young disciples Each of the 260 talks teach children God's Word through the use of common objects that illustrate an important concept in the scriptures The messages come from Wesley Runk a pastor and master communicator with kids who has written over 30 best selling collections of children's sermons and object lessons Runk uses a warm and often humorous

approach to take on even the tough topics of the New Testament and the analogies he creates with the use of such simple objects as bananas clocks puzzles and funnels add visual focus for the kids and help them grasp the point on a level suitable for their age Now whether you are preaching from the Gospels Acts the letters of Paul the general Epistles or even Revelation you are sure to find an appropriate related talk for the children And with convenient features like scripture and object indexes for quickly locating material as well as a CD with text files that lets you easily adapt the messages to your specific circumstances The Giant Book Of Children s Sermons may be the last children s collection you ever need *The Waves of Life & Our Mind Game* Say Thu Varadewa,2020-03-13 Life itself is very simple we make life complicated as we going through the phases of life But we have to constantly remind ourselves that every beginning is the hardest And we cannot control anything whatever happens in our life But we can train ourselves to be used to the waves of life as it moves up and down just to keep flowing And we have to realize that nothing is in control everything happens for a reason Being contented in life looks impossible but we can train our mind to be grateful for what we have Staying strong and positive is the key to face rough rides of life because we are unaware what might come next in life I aimed to help people like me who are looking for who they are as a person It is simple and yet difficult to figure out if there is no proper way to discover one self Sometimes you may have everything in life but you are still feeling that something is missing within you Well that is exactly the point in life when we need to find our life purpose through self discovery process Life is like a big ocean and the ups and downs moments in life are like the waves in the ocean If there is no up and down moments in life we will never know who we are how strong we are and how capable we are These life waves help us to discover who we are as a person Keep your journey unique and worthy because it has its own limit Before the life limit expires be who you want to be and do what you want to do in life Inspire people around you to be better version of themselves and encourage people to be kind towards each other to create a beautiful world for everyone to live in
