## **Abortion Wars**

**Articles of Faith** Cynthia Gorney, 2000-01-05 Nominated for the Los Angeles Times Book Prize Articles of Faith is a powerful exploration of one of the most divisive issues in our recent political history and the only book to portray the passion of both sides of the abortion conflict Drawing from more than five hundred interviews as well as previously unseen archival material Cynthia Gorney has written a compelling narrative that explores the years between Roe v Wade 1973 and William L Webster v Reproductive Health Services 1989 the first case to challenge the Roe decision before an anti Roe court Meet Judith Widdicombe the registered nurse who runs the abortion underground in 1960s St Louis and then the first legal clinic after Roe v Wade And meet Samuel Lee a young pacifist and would be seminarian whose provocative abortion bill becomes the centerpiece of William L Webster v Reproductive Health Services The Supreme Court case brings the two advocates head to head

**Opposition and Intimidation** Alesha Doan, 2009-09-15 The abortion fight has long been a crucible of political tactics with both sides employing strategies ranging from litigation to civil disobedience to outright violence Anti abortion activists have arguably been more tactically innovative than their pro choice peers Opposition and Intimidation looks at how their use of political harassment fits or doesn't with more conventional political efforts in the struggle over abortion Alesha Doan's insightful interviews and observations powerfully portray anti abortion activists relationship to the objects of their protest Her portrait is augmented by thorough quantitative analysis of harassment's role within the movement's multitiered strategy a strategy that Doan shows has forced a decline in the availability and popularity of abortions Using her unique study of the anti abortion movement as a model Doan extends her findings to propose a novel and valuable theory of the new politics of harassment An interesting and sophisticated account Seamlessly weaves narrative and analysis tying local action to national strategy Explores uncharted territory in the abortion controversy and expands our understanding of political action Deborah R McFarlane University of New Mexico For 40 years abortion politics have been endlessly fascinating to American scholars and journalists alike because they generate unique political phenomena that challenge traditional theories of political behavior In this book Doan goes straight to the heart of the matter by describing evaluating and explaining one of the most characteristic and complex of these phenomena political harassment In a well written narrative that weaves qualitative and quantitative data she gives us the first scholarly look at this political tactic whose relevance and use go well beyond American abortion politics Chris Mooney University of Illinois at Springfield The book contributes to political theory and knowledge by adding new empirical data gathered from interviews with those in the front lines of the struggle over abortion The author refines and develops a category of unconventional political participation political harassment of nongovernmental actors and explains why it is particularly effective in undermining the rights of women seeking abortions as well as the rights of abortion service providers Nikki R Van Hightower Texas A M University Alesha E Doan is Assistant Professor of Political Science at the University of Kansas

**Abortion Wars** Rickie Solinger, 1998-01-16 Contains eighteen

essays that offer a pro rights perspective on the issue of abortion examining the topic within the historical framework of the second half of the twentieth century and discussing the reasons why abortion continues to be one of the most violently contested issues in the United States

**Dispatches from the Abortion Wars** Carole E. Joffe, 2009

Surprising firsthand accounts from the front lines of abortion provision reveal the persistent cultural political and economic hurdles to access While abortion wars may bring to mind the very real threat of anti abortion violence this timely book shows how a pervasive stigma cultivated by the religious right operates less dramatically but just as effectively to impede access by shaming women and marginalizing abortion providers in their own professional communities In Dispatches from the Abortion Wars reproductive health researcher Carole Joffe immerses readers in on the ground stories of doctors grappling with the obstacles of providing abortion care for their patients while also offering hope for a more compassionate standard of women's health care

Abortion Wars Judith Orr, 2017-09-10 As Roe v Wade comes under renewed scrutiny in the United States 2017 marks the fiftieth anniversary of another landmark shift in abortion policy Britain's 1967 Abortion Act But in the United Kingdom as in the United States the struggle for abortion rights is far from over In this hard hitting urgent book socialist writer and leading UK pro choice campaigner Judith Orr argues that the time has come for women to control their fertility without the practical legal and ideological barriers they have faced for generations Combining analysis of media coverage statistics popular culture and social attitudes with powerful firsthand accounts of women's experiences Orr measures the Act's true impact both in the United Kingdom and abroad and shows that full reproductive rights are yet to be won In the United Kingdom anti abortion campaigners attack women's rights under existing law Elsewhere women must cross borders or buy pills online while in the United States as well as in Ireland Poland and nations across Latin America harsh restrictions on abortion are provoking increased resistance Highlighting ongoing debates over decriminalization Orr calls for an abortion provision fit for the twenty first century

Beyond the Abortion Wars Charles C. Camosy, 2015-04-30 The abortion debate in the United States is confused Ratings driven media coverage highlights extreme views and creates the illusion that we are stuck in a hopeless stalemate In this book Charles Camosy argues that our polarized public discourse hides the fact that most Americans actually agree on the major issues at stake in abortion morality and law Unpacking the complexity of the abortion issue Camosy shows that placing oneself on either side of the typical polarizations pro life vs pro choice liberal vs conservative Democrat vs Republican only serves to further confuse the debate and limits our ability to have fruitful dialogue Camosy then proposes a new public policy that he believes is consistent with the beliefs of the broad majority of Americans and supported by the best ideas and arguments about abortion from both secular and religious sources

**Dispatches from the Abortion Wars** Carole Joffe, 2010-01-01 Surprising firsthand accounts from the front lines of abortion provision reveal the persistent cultural political and economic hurdles to access More than thirty five years after women won the right to legal abortion most people do not realize how inaccessible it has become In these pages reproductive

health researcher Carole Joffe shows how a pervasive stigma cultivated by the religious right operates to maintain barriers to access by shaming women and marginalizing abortion providers Through compelling testimony from doctors health care workers and patients Joffe reports the lived experiences behind the polemics while also offering hope for a more compassionate standard of women s health care

**Abortion Wars** Rickie Solinger,1998-01-16 Contains eighteen essays that offer a pro rights perspective on the issue of abortion examining the topic within the historical framework of the second half of the twentieth century and discussing the reasons why abortion continues to be one of the most violently contested issues in the United States

**Abandoned** Monica Migliorino Miller,2012-09-05 In the Trenches of the Abortion Battle Every day thousands of children fragile innocent alone are abandoned They are brutally snuffed from the world and literally left in the trash and it s all legal Abandoned The Untold Stories of the Abortion Wars is the story of those children abandoned by abortion and it is the story of their courageous defenders Since 1976 Monica Miller has made it her life s work to defend the unborn she has counseled pregnant women outside abortion clinics and organized pro life groups and sit ins at many of those same clinics She has blocked abortionists cars been arrested and gone to jail And she has pulled the bodies of thousands of unborn babies out of dumpsters and given them a proper burial Abandoned The Untold Stories of the Abortion Wars is the profound breathtaking and often daring journey of one woman but it is much more than that It is a history of the Pro Life movement since Roe vs Wade a suspenseful true life tale of life and death an insightful look into the unique and terrible horror of abortion and a plea for the protection of the most helpless and innocent members of the human family

Abortion Wars Rickie Solinger,1998-01-01 A pro rights collection of essays by abortion providers journalists legal strategists and philosophers includes a timeline of events from 1940 to the present

**The Abortion Wars** Katheryn Desiree Waidner,2000

*Abortion Wars* Conrad Birmingham,2023-03-18 Kill the Supreme Court Justices This a thriller about individuals who can no longer stomach the sight of innocent lives being snuffed out in abortion rooms No longer willing to sit idly by they decided to take matters into their own hands and break the law They are hoping to stop the babies from being slaughtered daily The story of abortion has been tragic and long for the last fifty years As society has changed and evolved so have the laws and norms surrounding this controversial and deeply personal issue The debate has been heated and often bitter as both sides fiercely defend their positions Amid the chaos and distress one fact remains unborn babies killed in abortions have been too often forgotten They cannot tell us their emotions as they are killed and there is no ritual to mourn or grieve their loss The intricacies of their lives and the details of their stories have been passed over by those who hold power The statistics make abortion real The facts are indisputable since the Roe v Wade ruling in the early 1970s 60 million abortions have been performed in the United States alone Moreover 1 5 billion abortions have taken place worldwide You may question their validity but these numbers are not just pulled out of thin air they were compiled by both the abortion industry and numerous governments around the world One of the most alarming chapters of this story is the number of black

abortions in the United States Thirty percent of the black population has been aborted over the past fifty years That is 18 million babies aborted This is an enormous horrific number The real story is why there is no outcry from black leaders especially the Black Live Movement religious leaders and liberal democrats Why do they ignore these horrible despicable statistics   **RU 486** Lawrence Lader,1991 Discusses the development of RU 486 a drug that terminates pregnancy and can be used in treating breast cancer endometriosis and some brain tumors and explains the political and moral dilemmas that have prevented RU 486 from being tested and distributed in the United States   Achieving Peace in the Abortion War Ph. D. Rachel M. Macnair,2008-12 Elections come and go and outcomes depend on events and characters out of the control of any single movement The United States downward trend in abortions however has happened steadily through both Democrat and Republican administrations There are several reasons to believe this is likely to continue The fragility of abortion practice in the United States is becoming increasingly clear People in other countries may also find useful information in the principles explained here The real life experience of doctors and nurses involved in providing abortion show that they are a weakening link in the abortion chain and this book explains reasons why this is so that depend more on psychology than politics There is also a vital opportunity in understanding the human mind s drive for consistency and its link to behavior When knowing about how abortion practice has begun collapsing people find it safer to hear the case against it and to act in a more constructive way toward the genuine needs of pregnant women The social and psychological dynamics of performing and defending abortions offer many opportunities for stopping widespread feticide The more we understand these the more effective we can be as peacemakers in the abortion war   After Roe Mary Ziegler,2015-06-08 In the decade after the 1973 Supreme Court decision on abortion advocates on both sides sought common ground But as pro abortion and anti abortion positions hardened over time into pro choice and pro life the myth was born that Roe v Wade was a ruling on a woman s right to choose Mary Ziegler s account offers a corrective   **Bearing Right** William Saletan,2003 Saletan s Bearing Right is as subtle and intelligent a study of abortion politics as has ever been written You may not agree with the conclusions but no one concerned about this issue can afford to miss this brilliant analysis Charles Krauthammer syndicated columnist and winner of the Pulitzer Prize for distinguished commentary Saletan destroys the myth that there s nothing new to say about America s abortion debate His argument that the pro choice movement has preserved abortion rights by co opting conservative rhetoric will make activists on both sides of the debate uncomfortable which is an achievement in and of itself There s no smarter political commentator in Washington today Peter Beinart editor The New Republic Will Saletan is one of America s shrewdest political writers He brings clarity and intelligence to the roiling abortion debate in a challenging and illuminating work of contemporary history If you care about the issue of abortion you must read this book Rich Lowry editor National Review A unique assessment of recent abortion politics Saletan uncovers political and institutional strategies with lucidity and verve This book makes a raft of challenging arguments a must read especially now Rickie Solinger author of Beggars and Choosers

How the Politics of Choice Shapes Adoption Abortion and Welfare in the U S Will Saletan is a great political journalist with a strong moral sense He also has an unusually shrewd understanding of what happens when ethics and values meet elections and the legislative process So partisans on every side of the abortion debate Saletan shows convincingly there are more than two will be challenged by his book at times upset and always enlightened Based on exceptional reporting and fiercely independent analysis Bearing Right is eloquent important and surprising E J Dionne Jr syndicated columnist and author of Why Americans Hate Politics A unique assessment of recent abortion politics Saletan uncovers political and institutional strategies with lucidity and verve This book makes a raft of challenging arguments a must read especially now Rickie Solinger author of Beggars and Choosers How the Politics of Choice Shapes Adoption Abortion and Welfare in the U S

*Bodies and Battlefields* Tadd Ruetenik,2021-10-07 *Bodies and Battlefields* shows how our attitudes about war and about abortion are united in the idea of sacrifice This work is intended to instigate a cultural transition toward different moral sentiments about violence It is an attempt to promote new reflections on important ideas risking challenges on all sides It does more than note the hypocrisy of the anti war people who support abortion It does more than note the hypocrisy of the anti abortion people who support war Its positive goal is to develop new moral sentiments that promote a culture that is open to creative and radical moral revolution that will overturn an ancient cultural residue that makes us believe killing is inevitable

**Culture Wars and Local Politics** Elaine B. Sharp,1999 This collection offers alternative explanations of local actions with a focus on conflict It features examples of experiences selected from various cities It examines how the

responses of local governments to specific issues are influenced by such factors as political culture and intitutions

*Her Body, Our Laws* Michelle Oberman,2018-01-16

With stories from the front lines a legal scholar journeys through distinct legal climates to understand precisely why and how the war over abortion is being fought Drawing on her years of research in El Salvador one of the few countries to ban abortion without exception legal scholar Michelle Oberman explores what happens when abortion is a crime Oberman reveals the practical challenges raised by a thriving black market in abortion drugs as well as the legal challenges to law enforcement She describes a system in which doctors and lawyers collaborate in order to identify and prosecute those suspected of abortion related crimes and the troubling results of such collaboration mistaken diagnoses selective enforcement and wrongful convictions Equipped with this understanding Oberman turns her attention to the United States where the battle over abortion is fought almost exclusively in legislatures and courtrooms Beginning in Oklahoma one of the most pro life states and through interviews with current and former legislators and activists she shows how Americans voice their moral opposition to abortion by supporting laws that would restrict it In this America the law is more a symbol than a plan Oberman challenges this vision of the law by considering the practical impact of legislation and policies governing both motherhood and abortion Using stories gathered from crisis pregnancy centers and abortion clinics she unmasks the ways in which the law already shapes women s responses to unplanned pregnancy

generating incentives or penalties nudging pregnant women in one direction or another In an era in which every election cycle features a pitched battle over abortion's legality Oberman uses her research to expose the limited ways in which making abortion a crime matters Her insight into the practical consequences that will ensue if states are permitted to criminalize abortion calls attention to the naive and misguided nature of contemporary struggles over abortion's legality A fresh look at the battle over abortion law Her Body Our Laws is an invitation to those on all sides of the issue to move beyond the incomplete discourse about legality by understanding how the law actually matters     *Annotated Bibliography of Mennonite Writings on War and Peace, 1930-1980* Willard M. Swartley,Cornelius J. Dyck,1987

## Whispering the Techniques of Language: An Psychological Journey through **Abortion Wars** **Abortion Wars**

In a digitally-driven world where monitors reign great and immediate conversation drowns out the subtleties of language, the profound strategies and emotional nuances hidden within phrases usually move unheard. However, nestled within the pages of **Abortion Wars** **Abortion Wars** a interesting literary prize pulsing with fresh feelings, lies an extraordinary journey waiting to be undertaken. Penned by a skilled wordsmith, that marvelous opus invites readers on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within the very cloth of each and every word. Within the mental depths of the emotional review, we can embark upon a honest exploration of the book is core themes, dissect its fascinating publishing style, and fail to the effective resonance it evokes deep within the recesses of readers hearts.

## **Abortion Wars** **Abortion Wars** Introduction

In the digital age, access to information has become easier than ever before. The ability to download **Abortion Wars** **Abortion Wars** has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download **Abortion Wars** **Abortion Wars** has opened up a world of possibilities. Downloading **Abortion Wars** **Abortion Wars** provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go.

Moreover, the cost-effective nature of downloading **Abortion Wars** **Abortion Wars** has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download **Abortion Wars** **Abortion Wars**. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading **Abortion Wars** **Abortion Wars**. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading **Abortion Wars** **Abortion Wars**, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Abortion Wars Abortion Wars has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Abortion Wars Abortion Wars Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Abortion Wars Abortion Wars is one of the best book in our library for free trial. We provide copy of Abortion Wars Abortion Wars in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Abortion Wars Abortion Wars. Where to download Abortion Wars Abortion Wars online for free? Are you looking for Abortion Wars Abortion Wars PDF? This is definitely going to save you time and cash in something you should think about.
