## Of Revelations Isaac:

**The Progress of Revelation in the Old Testament** Gerard Van Groningen, 2006-08-01 Two issues in particular engaged me when studying in seminary and graduate school Did God the sovereign covenant Lord actually communicate with men in human language And did this Lord actually enable men to infallibly record in writing what he had made known to them The result was that I increasingly realized that unless I had confidence that the Scriptures were authentic authoritative and wholly reliable I would not have the certainty and conviction needed for preaching and teaching truths that I and all other sinful persons required for the assurance of the forgiveness of sin salvation and God honoring service This book is in a real sense my answer to the questions I wrestled with initially It is a testimony to the assurance and peace I had as I taught in Christian educational institutions from the Preface

**The New Jerusalem in the Book of Revelation** Pilchan Lee, 2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John s main argument is that the church which is symbolized by several images is placed in heaven now chapters 4 20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21 22
