Reading Children's Fairytales Mette Lindahl-Wise, Harry Oulton, Vicky Macleroy, Emily Corbett, 2025-11-17 Fairytales form a cornerstone of children's and YA literature studies and the tale of Hansel and Gretel has been translated, adapted and retold across the years. *Reading Children's Fairytales Inside the Gingerbread House* brings together leading and emerging researchers and practitioners to showcase how interdisciplinary approaches enable diverse responses to texts. This edited collection opens up possibilities for cross pollination between critical multimodal and creative approaches. It celebrates multiple forms of knowledge and meaning making within and beyond academic discourse and engages young people in the conversation. The authors explore a wide range of retellings of Hansel and Gretel from children's picturebooks, graphic novels, poetry and young adult fiction to sculpture and Hip Hop to offer a comprehensive investigation of the tale. The volume also benefits from the voices of acclaimed creative writers who create and reflect on retellings that cross cultural and international boundaries. In engaging with such a range of popular retellings the chapters bring a renewed attention to the need to disrupt hierarchical and canonical perspectives on children's and YA literature.

Disney Princesses and Tween Identity Anna Zsubori, 2024-05-15 *Disney Princesses and Tween Identity: The Franchise in Illiberal Hungary* examines how tweens in illiberal Hungary construct verbal and visual identities through engagement with Disney princess animations. Presenting and analyzing ethnographic research in the form of interviews with Hungarian tweens around the time of the populist government's winning the general elections in 2018, Anna Zsubori reveals the importance of social and cultural context in establishing the Disney princess phenomenon as a heterogeneous cultural force. The ambivalent and sometimes even contradictory ideas of identity expressed by the tweens highlight the role that diverse audiences' local negotiations and dynamic discourses play in the reception of the Disney princess animations. Combining thematic and semiotic textual analyses of the conversations, drawings and building blocks and broader contextual examinations of the sessions with Hungarian children, this book offers original contributions on both theoretical and methodological levels.

Racial Battle Fatigue Jennifer L. Martin, 2015-01-26 Covering equity issues of sex, race, class, age, sexual orientation, and disability, this work presents creative, nontraditional narratives about performing social justice work, acknowledging the contributions of previous generations, describing current challenges, and appealing to readers to join the struggle toward a better world. Many would like to believe we are living in a post-racial America, long past the days of discrimination and marginalization of people simply due to their race and minority status. However, editor Jennifer L. Martin and a breadth of expert contributors show that prejudice and discrimination are still very much alive in the United States. Sharing personal stories of challenges, aggressions, retaliations, and finally racial battle fatigue, these activists, practitioners, and scholars explain how they have been attacked in subtle, shrouded, and sometimes outright ways, simply for whom and what they advocate. Social justice. The stories within consist of discussions on the interconnections among equity issues: sex, race, class, age, sexual orientation, and disability.

Furthermore the work relates current events such as the banning of ethnic studies in Arizona and the shooting of Trayvon Martin to the battle for social justice Other topics addressed include the ongoing problems of white supremacist beliefs the challenges of teaching about the racist thinking that permeates our media and popular culture and the harms of aggressions faced by minorities and those possessing multiple minority status The unique narratives presented in this single volume work combine the various approaches to answering questions about not only the necessity of fighting for social justice but also the impact of the struggle on its champions **The Mark Lane Express, Agricultural Journal and Live Stock Record** ,1903
