Fairfax,2016-10-07 For many parents curling up with a book for a bedtime story with their kid is a daily ritual For others it is the perfect time to spend time with their children after a busy day and for some it is something they should do but are not entirely sure why Discover these benefits of bedtime stories for kids Sharpen their brains Research shows that one of the greatest benefit of interacting with children including reading to them stories is that children learn a great deal of things from improved logic skills to lowering their stress levels Bedtime stories rewire the brain of a child and quicken their mastery of language Their vocabulary repertoire is expanded and their listening and oral communication skills enhanced bedtime stories for kids Enhance creativity and Stimulate imagination If you are a good storyteller then you should teleport your kid to a different realm from reality to fantasy for the child to learn the difference between these two This will enhance and stimulate his imagination children s books kindle Emotion development The kid will learn to experience different emotions while empathizing with the characters of the story The common emotions of sadness happiness and anger may be encountered and he will learn to control these in real life bedtime story for kids **Bowker's Directory of Videocassettes for Children 1999** R R Bowker Publishing,Bowker,1999-03 *The Little Mermaid Step into Reading (Disney Princess)* Ruth Homberg,2013-11-27 Ariel is one of the most beloved Disney princesses of all time and now children ages 4 6 can relive the magic of Disney s The Little Mermaid with this Step 2 Step into Reading leveled reader Step 2 readers use basic vocabulary and short sentences to tell simple stories For children who recognize familiar words and can sound out new words with help **Deconstructing Masculinity: Interrogating the Role of Symbolism in Gender Performativity** Lauren Dundes ,Michael Macaluso,2024-09-19 Progress towards gender parity is hindered by unconscious ways that hypermasculinity is valorized at a symbolic level By deconstructing how social and textual phenomena as well as social structures contribute to gender

performativity we can elucidate hard to discern patterns that perpetuate hegemonic masculinity The subliminal elevation of symbols of hypermasculinity excludes both women and non gender conforming men By delving into these symbolic meanings that operate subliminally we can more effectively debunk beliefs that real men fall within narrow parameters of masculinity There remains much to explore in terms of hidden pressures for men to constrain their expression of emotions project an appearance of hardness and equate violence with power to name just a few persistent facets of toxic masculinity While abstract forms of inculcating hypermasculinity are difficult to identify interrogating their role in masculine performativity will result in a more comprehensive understanding of impediments to gender equality
