**Television Drama from Germany** Florian Krauß, 2024-08-01 This open access book examines how TV professionals in Germany have negotiated quality TV drama from 2015 to the present. As in other European countries in Germany this has included a crucial upheaval the emergence of various streaming services which has multiplied the television market. As a systematic study of this changing fiction industry *Television Drama from Germany* will be of great interest to both academics and practitioners working both within and outside the German language television market.
