than the story of how mountain water came to flow from spigots in Brooklyn and Manhattan Soll concludes by focusing on the landmark watershed protection agreement signed in 1997 between the city watershed residents environmental organizations and the state and federal governments After decades of rancor between the city and Catskill residents the two sides set aside their differences to forge a new model of environmental stewardship His account of this unlikely environmental success story offers a behind the scenes perspective on the nation s most ambitious and wide ranging watershed protection program **Health and Pleasure on "America's Greatest Railroad"** ,1892 *School* ,1918

Forest and Stream ,1921 **The Catskill Mountains** Ulster & Delaware Railroad. Pass. Dept,1904 New York Game & Fish ,2007 **Catskill Hotels** Irwin Richman,2003 At one time according to the Catskill Institute there were more than a thousand hotels spread across the mountains of Greene Ulster Delaware and Sullivan Counties The Catskills were an exciting world full of pleasures to be enjoyed with summer and winter activities characterized by entertainment food sports card playing and food again Catskill Hotels with a collection of some two hundred images tells the story of this world which began with America s first resort hotel the Catskill Mountain House continued with places such as the world famous Grossinger s and can still be found today at Kutsher s Country Club the Mountain House at Lake Mohonk and a few other hardy resorts
