The 25 template pages and 25 note pages help kids organize their summaries with sample questions to consider in the instructions. Children are encouraged to think about the sequence of events and to describe the highlights of the book or story they've finished reading. There is plenty of space to write each sentence taking into consideration the larger writing size of elementary school aged children. This template journal is a great tool for children who are beginning to learn about paragraph formation. The templates also include a comic strip section for children to draw and give a visual representation of a scene in the story they've read. Parents and educators can use the Book Report Journal as a home schooling resource to complement a child's studies during the year and for continued studies during summer and winter breaks. With the Book Report Journal, children can practice organization and express their creativity.	<b>The Ultimate Book Report Template and Master Guide - Everything You Need To Know</b>	Monkey And Mom Homeschool, 2023-12-29	The Ultimate Book Reports Master Guide Your Go To Resource for Grades 7-10.
