*The Rusty Nail, August 2012* The Rusty Nail, 2012-07-19 The Rusty Nail is a literary magazine whose goal is to join the growing community of Internet based English types who not only love literature and the written word but are enamored with the future of both. We believe that the Internet has given authors and poets the opportunity to share and get recognition for their work without having to sell their soul to The Man. This preserves artistic dignity and lets the reader see the writer's thoughts and soul without the often numbing influence of industry professionals. Visit the website for more great writing and to find out how you can submit your own work. In this Issue: Jean Hopkins, Jessica Hill, Isaac L. For a time in the 1800s Lowell was Massachusetts's cosmopolitan must-see second city. The city's industrial model was as high tech then as Silicon Valley is today. It drew the attention of luminaries like Charles Dickens, Congressmen Davy Crockett and Abraham Lincoln, feminist sociologist Harriet Martineau, and abolitionist Frederick Douglass. This insider's account of the creative, bold, community-driven process to establish the park explains why today Lowell National Historical Park is renowned as the partnership park. The park's establishment was an integral piece of an urban revival strategy that has made Lowell the subject of scores of newspaper articles, magazine profiles, TV and radio reports, scholarly papers, and book chapters. Historic Preservation magazine has hailed the park as the premier rehabilitation model for gritty cities worldwide. The Lowell story has much to teach the mid-sized cities of the nation and the world. Mill Power frames the Lowell comeback in its historical context and brings together the people who dreamed, wrote, designed, pushed, and cheered a new national park into existence along with those who came after with the charges of shaping the ideas into material form. The volume features 100 photos, many of them showing the before and after story of this revitalization. *The Oxford Companion to Spirits and Cocktails* David Wondrich, Noah Rothbaum, 2021-10-20 The Oxford Companion to Spirits and Cocktails presents an in-depth exploration of the world of spirits and cocktails in a ground-breaking synthesis.
