Agitations Essays On Life And Literature:

Agitations Arthur Krystal, 2008-10-01 This book examines the role of temperament and taste in the forming of aesthetic and ideological opinions In provocative chapters about reading and writing about the relation between life and literature about knowledge and certainty about God and death and about a gradual disaffection with the literary scene the book demonstrates that opposing points of view are based more on innate predilections than on disinterested thought or analysis

first book *Agitations: Essays on Life and Literature* was a finalist for the 2003 PEN Award for the Art of the Essay. Accolades aside, Krystal simply regards himself as someone who writes sentences to see where they take him. In *A Word or Two Before I Go*, Krystal offers us, if he is to be believed, his final collection. These eleven essays and one evocative story range in subject matter from the depredations of aging and the anomalies of cultural appropriation to the friendship between Jacques Barzun and Lionel Trilling and the day Muhammad Ali punched Krystal in the face. *Jewish Quarterly*, 2003. *Agitation with a Smile* Stephen Bird, Adam Silver, Joshua C. Yesnowitz, 2015-11-17. *Agitation with a Smile* offers a reappraisal of Howard Zinn's political thought and situates his efforts in a contemporary context looking toward the nature of activism and dissent in the future. This is the first book to provide a substantive account and assessment of Zinn's philosophy and approach to collective action and to a larger extent, democracy. The contributors to this book explore the most effective mechanisms by which to arouse public support for seemingly radical positions and how current technological advancements may alter our perception of Zinn's activism. The book is a valuable guide to a new generation of activists and scholars of politics in gauging the lasting relevance and legacy of Zinn's ideals, concepts, and methodology. The text is neither fawning nor unduly critical, unlike many discussions of Zinn in popular culture. Rather, the contributors engage the various complexities and tensions present throughout Zinn's work and subject them to contemporary assessment. This is a multidisciplinary and international approach to Howard Zinn's intellectual and activist canon. **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.
