Aids And The Sexuality Of Law Ironic Jurisprudence:

AIDS and the Sexuality of Law J. Rollins, 2004-01-02 AIDS and the Sexuality of Law investigates the role that HIV AIDS has played in the legal construction of sexuality AIDS and its metaphors have been judicially enlisted to patrol the boundaries of heterosexuality producing flawed understandings of HIV AIDS and sexuality The proliferation of this flawed knowledge through judicial discourse has had a profound impact on the way sexuality is understood Even more fundamentally closer analysis exposes the ironic processes of the law whereby material reality ignorance and belief interact to replace unknowns with social facts The book concludes optimistically arguing that there is political value in uncertainty **Sexuality and**

Equality Law Suzanne B. Goldberg, 2017-07-05 Sexual rules and regulations are among society's oldest yet it is only in recent decades that this once stigmatized field has become the focus of scholarly attention This volume which includes some of the most thought provoking and hard to find essays in the field covers a diverse range of topics from sexual orientation and gender identity to intersexuality and commercial sex and from HIV AIDS and trafficking to polygamy Through historical political and critical theoretical lenses and through a global focus the selections ask how we conceptualize the groups and acts subjected to sexual regulation and how regulations in the field implicate and produce understandings of sexuality and identity By placing this variety of works together Sexuality and Equality Law invites fresh insights into commonalities and synergies across regulatory arenas that are often isolated from one another The volume's introduction situates all of these works in the broader field and offers readers an extensive bibliography **Intimacy and Responsibility** Matthew

Weait, 2007-12-14 In this new book Matthew Weait uses English case law as the basis of a more general and critical analysis of the response of the criminal courts to those who have been convicted of transmitting HIV during sex **The Oxford**
