Master the wooden weapons used in Aikido with this comprehensive martial arts training manual. In fact, aikido techniques that use wooden weapons can enrich all aspects of your practice, helping you to understand both basic and advanced aikido technical tactics as well as conceptual strategies and skills. Building on the authors belief that no empty hand system is complete without weapons training, *Aikido Weapons Techniques: The Wooden Sword, Stick and Knife of Aikido* demonstrates weapon use both as a training tool to better illustrate aikido principles and as a self defense against weapon attacks, focusing on the three primary weapons used in aikido: Ken (the wooden sword), Jo (the wooden staff), Tanto (the wooden knife). A complete discussion of each weapon is included with descriptions of the stances, grips, techniques, forms, defenses and training appropriate for each. With over 200 step by step photographs and detailed instructions, this aikido book provides an in depth exploration of weapons use in aikido, from its spiritual implications to technical theory and practical use. **Aikido for Life** Gaku Homma, 1993-01-01.
