

A dark, atmospheric image of a cabin in the woods. The cabin is a two-story structure with a dark roof and walls. Several windows are lit from within, casting a warm, orange glow. The cabin is surrounded by dense trees, and a path leads up to it. The overall mood is mysterious and slightly eerie.

## Airbnb Horror Stories:

**Guests Behaving Badly** Alexander Neighbors, 2025-09-02 Behind every five star review is a story and some of them will blow your mind. Have you ever wondered what really happens behind the glowing reviews and perfectly staged Airbnb photos? Guests Behaving Badly takes you behind the door code and into the real life chaos, drama, and hilarity of hosting strangers. From surprise petting zoos and secret affairs to full-blown nightclubs with armed security, this book pulls back the curtain on the wildest stories from years of hosting. Told with humor and honesty, each chapter reveals a jaw-dropping moment while teaching important lessons every current or future host should know. You'll laugh, cringe, and maybe even question your own travel habits as you read. Why quiet guests are often the most unpredictable. How one wrong pin drop brought 300 partygoers to the wrong house. What happens when security cameras catch more than you expected. Why Airbnb policies are your best friend if you use them right. How to protect your home, your sanity, and your reviews. Whether you're an Airbnb host, a frequent traveler, or just love crazy true stories, this book will entertain you while teaching valuable lessons about people, hospitality, and boundaries. Welcome to the other side of Airbnb where the towels are clean but the stories are messy.

**An Anthropological Study of Hospitality** Amitai Touval, 2016-12-15 This volume explores recent developments in the practice of hospitality as well as the curious precarious relationship between guests and their hosts. Drawing from personal interactions with an aging innkeeper called Herr Klaus and modern Airbnb hostess Gretchen, Amitai Touval offers a touching and illuminating account of how the rise of Airbnb has forged new standards of generosity, hostility, and accountability. An Anthropological Study of Hospitality is a must-read for anyone who has wondered about the intricate social cues involved in such a seemingly simple exchange.

**Raw Deal** Steven Hill, 2015-10-20 What's going to happen to my job? That's what an increasing number of anxious Americans are asking themselves. The US workforce, which has been one of the most productive and wealthiest in the world, is undergoing an alarming transformation. Increasing numbers of workers find themselves on shaky ground, turned into freelancers, temps, and contractors. Even many full-time and professional jobs are experiencing this precarious shift. Within a decade, a near majority of the 145 million employed Americans will be impacted. Add to that the steamroller of automation, robots, and artificial intelligence already replacing millions of workers and projected to obsolesce millions more, and the jobs picture starts looking grim. Now a weird yet historic mash-up of Silicon Valley technology and Wall Street greed is thrusting upon us the latest economic fraud: the so-called sharing economy, with companies like Uber, Airbnb, and TaskRabbit allegedly liberating workers to become independent and their own CEOs, hiring themselves out for ever-smaller jobs and wages while the companies profit. But this share-the-crumbs economy is just the tip of a looming iceberg: that the middle class is drifting toward Raw Deal: How the Uber Economy and Runaway Capitalism Are Screwing American Workers by veteran journalist Steven Hill is an exposé that challenges conventional thinking and the hype celebrating this new economy by showing why the vision of the techno-sapien leaders and their Ayn Rand libertarianism is a dead end. In Raw Deal,

Steven Hill proposes pragmatic policy solutions to transform the US economy and its safety net and social contract launching a new kind of deal to restore power back into the hands of American workers [The Airbnb Story](#) Leigh
