*Measuring Museum Impact and Performance* John W. Jacobsen,2016-03-15 Based on extensive research and decades of experience museum analyst and planner John W Jacobsen provides both the theoretical underpinnings and the operational pragmatics of measuring any museum's intentional impact and performance by using 1 025 indicators drawn from 51 expert sources Measuring Museum Impact and Performance Theory and Practice provides museum professionals internationally with a clear very open process that will improve their museum's value and performance by selecting indicators that monitor whether they are realizing their desired public private personal and institutional values The book is not prescriptive but liberating as the

framework recognizes that each museum needs to decide on its own purposes and priorities. The book is organized in two parts. Part 1 Theory is scholarly and builds on the museum field's rich literature and Part 2 Practice provides step by step methods for any museum to set up its own dashboard of prioritized impact and performance indicators. Substantive attachments include the list of the 51 source documents for the MIIP indicators definitions of terms and data fields a long list of precedented museum impacts measurement formulas and worksheet templates filled in for a sample museum and the MIIP 1.0 database available online. Readers will get the following benefits: A literature review of prior work on measuring museum value; An analysis of eleven well established evaluation frameworks that synthesize into a revolutionary yet practical Museum Theory of Action; A robust and searchable menu of 1,025 existing and aspirational indicators the MIIP 1.0 database that you can use to start your own selection; An analysis of the MIIP database using the Theory of Action that reveals 14 areas of potential museum impacts and benefits; A process to select and prioritize your museum's intentional purposes and desired impacts; A process to determine measure and compare your museum's key performance indicators KPIs; A process to set up and conduct peer museum comparisons; Procedures and examples of how to capture and report data used in your selected indicators; Principles for using indicator data to inform museum management decisions.

**The Responsible Investor Handbook** Thomas Croft, Annie Malhotra, 2017-09-08 For decades workers' capital stewards have invested wisely to provide a secure retirement for millions of people around the world. This money our money represents an enormous share of economic and capital market wealth. It has seeded and grown innumerable innovative industries that have had far reaching impacts. However the 2008 financial crisis has seriously threatened these trusted assets and drained away prosperity. In response a growing number of investors are moving towards responsible investment policies and strategies addressing the rising expectations of consumers and benefiting from the financial advantages such strategies bring. Everyday citizens now want to see their investments not only do well but do good. But what constitutes responsible investment and how can it be undertaken in practice? What is the impact of responsible investment strategies on investment performance? How can trustees, managers and advisors implement these strategies in line with their fiduciary responsibilities? How can plan trustees and staff members convince all stakeholders of the need to invest in resilient growth? The Responsible Investor Handbook, commissioned by the AFL CIO and global progressive investors is a lay friendly how to manual sharing the best in responsible investment practice with capital stewards and other policy leaders who want to do the right thing with our common wealth. This invaluable toolkit enables readers to understand the pioneering role of workers' capital in building infrastructure and vital services. Devise a responsible investment strategy. Select and monitor service providers. Bring on board stakeholders with conflicting interests. Avoid short termism. The Responsible Investor Handbook is the first book devoted to aligning the long term investment priorities of working people with capital stewards and the financial complex that manages their assets. It is an essential read for trustees and capital stewards seeking the positive outcomes of a responsible investment strategy pension and institutional
