C. K. Gunsalus, 2021-07-13 The book that every dean and department chair needs to survive and thrive in the twenty first century university First released in 2006 The College Administrator's Survival Guide has served as the bible for a generation of provosts deans department chairs and program directors Shrewd administrators have returned to the guide time and again for C K Gunsalus's advice on handling complaints negotiating disagreements and dealing with difficult personalities Now in this revised and updated edition Gunsalus guides rookie administrators and seasoned veterans through today's most pressing higher education challenges These days academic leaders must respond to heightened demands for transparency and openness These demands are intensified by social media which increases the visibility of university conflicts and can foster widespread misinformation about campus affairs Meanwhile institutions have become flatter with administrators expected to work more closely with faculty students and a range of professionals even as support staffs shrink Between the ever replenishing inbox the integration of often exasperating management systems into every dimension of academic life and the new demands of remote learning deans and department heads are juggling more balls than ever before Tightening budgets have already forced administrators into more difficult choices and in the wake of COVID 19 there will be no relief from financial constraints From MeToo to partisan battles over curricula and funding college and university leaders need more savvy and greater sensitivity than ever What hasn't changed are the challenges of dealing with difficult people and the importance of creating and maintaining environments in which faculty staff and students have the support they need to do their best work The College Administrator's Survival Guide provides the tools to keep cool and get the job done The Teacher's assistant and Bible class magazine, 1882
