Germany Silver Burdett Countries:

Miscellaneous Series ,1919 *Remembering Musical Childhoods in Vietnam* Tina A. Huynh,2024-08-06 This book offers an in depth exploration of the childhood musical experiences of Vietnamese elders providing a unique lens on the intersections between identity culture and music education Centering the stories of five Vietnamese Americans and one Vietnamese person who grew up in Vietnam between 1931 and 1975 the author considers the role that each individual s childhood musical experiences played in their life as they were impacted by war political movements and immigrant and refugee experiences The book adds a new perspective to research on the global music practices of children by exploring music transmission and repertoire in Vietnam in the context of political unrest and colonialism before and during the Vietnam War It also explores the evolution of the personal meanings and memories of music over a period of drastic change in each individual s life as five of six elders transitioned into a life in the United States This book provides both an act of cultural and musical preservation and relevant implications for music education today Situating the children s songs and games of Vietnamese culture in their original context the author invites those in the field of music education to consider how lived experiences and entrenched systems of teaching affect music learning and identity formation The volume includes a selection of Vietnamese children s songs games chants and musicopoetic lullabies ca dao offering ways to enrich music educators world music curricula Relevant to music education ethnomusicology and Asian American studies this book provides a nuanced account of Vietnamese children s music making of the past and presents an analysis of childhood musical experiences in a wider cultural sociopolitical and historical context **Our Country's Call to Service ... Germany Silver Burdett Gunters: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Germany Silver Burdett Gunters : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
