## **Hidden Jewel:**

**Hidden Jewel** V.C. Andrews, 2010-06-15 The classic Landry series continues with this thrilling and spellbinding novel following Ruby Landry's daughter as she tries to blossom even amidst the dark family secrets she worries will one day overwhelm her life. Raised in a New Orleans mansion filled with kindness and laughter, Pearl dreams of becoming a doctor. With all the finest families wishing her well, her high school graduation party is almost as festive as Mardi Gras itself. But the sultry Louisiana heat only seems to intensify her family's sinful legacy, and when a cruel accident befalls one of Pearl's twin brothers, her tormented mother flees back to her Cajun roots. Pearl's faith in her mother abides, but she cannot hold back tears when her other brother falls deathly ill, and her father retreats into his own bourbon-soaked world. As her dreams of success swirl away with the hurricane winds, Pearl journeys to the swamps in search of her mother and the shocking truths of her heritage. Luckily, she discovers a blessed refuge in the warm embrace of a gentle Cajun man. But until the storm clouds clear, Pearl cannot savor the springtime sweetness that always seems beyond tomorrow. **Hidden Jewel** Virginia

**The Tao of Islam** Sachiko Murata, 1992-01-01 The Tao of Islam is a rich and diverse anthology of Islamic teachings on the nature of the relationships between God and the world, the world and the human being, and the human being and God. Focusing on gender symbolism, Sachiko Murata shows that Muslim authors frequently analyze the divine reality and its connections with the cosmic and human domains with a view toward a complementarity or polarity of principles that is analogous to the Chinese idea of yin yang. Murata believes that the unity of Islamic thought is found not so much in the ideas discussed as in the types of relationships that are set up among realities. She pays particular attention to the views of various figures commonly known as Sufis and philosophers, since they approach these topics with a flexibility and subtlety not found in other schools of thought. She translates several hundred pages, most for the first time, from more than thirty important Muslims, including the Ikhwan al Safa, Avicenna, and Ibn al Arabi. *Jewel series, booklets* Eva L.
