enhancing substances that haunt the professional sports world the dangers and side effects of steroids stimulants diuretics and others are given a complete rundown The brief book also provides common sense instructions for more advanced athletes who face the prospect of hiring professional managers The books tone is optimistic and avowedly Christian throughout many section headings are Biblical quotations and its focus is highly specialized Reid admits that her book was written to encourage you as parents in how to support and guide your upcoming superstar athletes and the book shows little interest in young athletes who dont aspire to an Olympic or a professional career Some parents may object to Reids assertion that without competition there wouldnt be sports or her declaration that winning is about an athlete asserting superiority in an eventdemonstrating it publicly That said even parents who primarily want their children to enjoy sports rather than single mindedly focus on them will likely find a wealth of useful information in these pages A focused goal oriented handbook for young pro sports hopefuls
