

The background of the cover features a complex, three-dimensional molecular model. It consists of numerous spheres of varying sizes, some of which are semi-transparent, connected by thin, light-colored rods representing chemical bonds. The spheres are arranged in a way that suggests a crystalline or network-like structure. The lighting is soft, creating subtle highlights and shadows on the spheres, giving the model a sense of depth and volume. The overall color palette is muted, with shades of grey, white, and light blue, contributing to a scientific and sophisticated aesthetic.
