Nathan's Story Luke Hartwell, 2013-11-21 Large print edition Hartwell's Nathan's Story is a powerful follow up to his Atom Heart John Beloved. While this is a stand alone work reading Atom Heart first is recommended. However, if you're thinking this is going to be the same story told from another character's POV, think again. The introduction of an attractive new character, Harper, adds a new dimension to the narrative. Hartwell intertwines the story of Nathan and Harper with the story of Nathan and John while avoiding a rehash of old information. Like the first book, Nathan's Story makes readers think. Covers some controversial ground can produce tears and will also bring plenty of smiles.
