An American Demon A Memoir:

An American Demon Jack Grisham, 2011-05 *An American Demon* is Jack Grisham's story of depravity and redemption, terror and spiritual deliverance. While Grisham is best known as the caterwauling front man of the pioneer hardcore punk band TSOL True Sounds of Liberty, his writings and true life experiences are physically and psychologically more complex, unsettling and violent than those of Bret Easton Ellis and Chuck Palahniuk. *An American Demon* documents a youth rebellion that changed the world, told from the point of view of the American punk movement.

An American Demon Jack Grisham, 2011-05 *An American Demon* is Jack Grisham's story of depravity and redemption, terror and spiritual deliverance. While Grisham is best known as the raucous and provocative front man of the pioneer hardcore punk band TSOL True Sounds of Liberty, his writing and true life experiences are physically and psychologically more complex, unsettling and violent than those of Bret Easton Ellis and Chuck Palahniuk. Eloquently disregarding the prefabricated formulas of the drunk to sober, bad to good tale, this is an entirely new kind of life lesson summoned through both God and demons while settling within eighties hardcore punk culture and its radical to the core and most assuredly non-evangelical parables. Grisham leads us cleverly, gorgeously between temporal violence and bigger picture spirituality toward something very much like a path to salvation and enlightenment. *An American Demon* flourishes on both extremes as a scary hardcore punk memoir and as a valuable message to souls navigating through an overly materialistic and woefully self-absorbed first modern society. *An American Demon* conveys anger and truth within the perfect setting using a youth rebellion that changed the world to open doors for this level of brash destruction. Told from the point of view of a seminal member of the American Punk movement, doused in violence, rebellion, alcoholism, drug abuse and ending with beautiful lessons of sobriety and absolution, this book is as harrowing and life-affirming as anything you're ever going to read.

Memoirs of an American Lady Mrs. Anne (MacVicar) Grant, James Grant Wilson, 1903

We're Not Here to Entertain Kevin Mattson, 2020 Kevin Mattson offers a history of punk rock in the 1980s. He documents how kids growing up in the sedate world of suburbia created their own culture through DIY tactics. Punk spread across the continent in the 1980s as it found expression in different media including literature, art and poetry. Punks dissented against Reagan's presidency, accusing the entertainer in chief of being mean and duplicitous, especially when it came to nuclear war and his policies in Central America. Mattson has dived deep into archives to make his case that this youthful dissent meant something more than just a style of mohawks or purple hair.
