Christian hope the ones you can't break free of     **Exorcism and Deliverance Ministry in the Twentieth Century** James M. Collins, 2009-11-10 This study seeks to demonstrate that exorcism deliverance ministry is an innately enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century. Two enthusiastic settings Charismatic and Evangelical Fundamentalist are identified and examined as the environment in which two related streams of exorcism deliverance ministry was practiced. Finally enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite. As a result important secondary insights are gained into the tidal nature of enthusiastic movements the role of itinerant preachers in the propagation of enthusiasm the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes the relationship between exorcism deliverance ministry and millenarianism and the practice of this rite within non Western churches

**Lord, Renew Your Wonders** Damian Stayne, 2017-09-01 At the beginning of the Second Vatican Council Blessed Pope John XXIII offered a prayer asking the Holy Spirit to Renew your wonders in our time as though for a new Pentecost. The rediscovery of the charismatic gifts by ordinary Catholics throughout the world was an answer to that prayer. Damian Stayne who is known internationally for his healing ministry shows readers how the spiritual gifts of prophecy healing and deliverance were used by Jesus the early Church and the saints and why we need them operating in the Church today. He provides not only amazing stories of God's presence and work in our time but also a host of practical instructions on how to grow in these gifts. This book is both inspiring and a challenge to Catholics to be open to the gifts of the Spirit in order to bring others to Christ.
