vehicle to arrive at the best possible procedures for the home mechanic and then photograph the actual work and write
instructions so the reader can easily follow along. Haynes manuals include procedures for everything from routine
maintenance to complete engine overhaul and include wiring diagrams in the back of each book. The unique nature of Haynes
manuals with each one written and photographed from the hands on experience gained by a complete teardown and rebuild
of the vehicle continues to set Haynes manuals apart from all others. Paperback 8 1/4 x 10 3/4 350 pp 840 b/w
