[The Story of the Jewish Way of Life](#) Meyer Levin,Toby K. Kurzband,1959 [Holidays and Rituals of Jews and Christians](#) Rev. Dr. Salatiel Sidhu,2013-02-05 If you want to know the heart and soul of a religion learn of its holidays. Holidays were originally holy days the days set apart for to focus entirely on religious events and considerations. In this book Dr Sidhu puts his years of study and research to use providing both the followers of these religions and those who stand outside these faiths with a look into the heart of Judaism and Christianity through their holidays rituals and customs. Providing both the religious and the secular roots of these two kindred religions he guides the reader through the history and evolving importance of holidays and rituals in the lives of believers and the world as a whole as the originally unique practices of faith have been adopted and transformed for secular purposes. Business national holidays regional celebrations and festivals all have taken Jewish and Christian times of worship and turned into something quite different. In turn Christianity and Judaism themselves have been transformed by adapting religious practice to make use of their followers evolving cultural inclinations. This is a fascinating informative and entertaining explanation of what sets Judaism and Christianity apart in the religions and history of the world. There is information and food for thought for a devoted follower of these religions as well as for those who stand outside these faiths and desire to understand them better.
