**Surviving The Middle Miles** Darryl Rosen,2007-11 In The Arms of Baby Hop is a direct no nonsense but powerful expressive autobiographic collection of how hip hop music has shaped inspired redirected and given strength to Mr Kenny Attaway s life as he writes I fell in love with hip hop in 1985 and the love is still strong the bond still is With the exception of GOD and my mother hip hop music has been the medicine needed for many sick and cinematic nights Over the last 20 years many situations have arrived and without GOD mom and the music I know I would not be here to be telling you shit My music helped me to understand many of the unkind facets of life such as death discrimination low self esteem poverty and whatever else your mind can fester to throw in the melting pot Hip hop has helped me to remember to forget accept my reality change my reality and inspired me to change the world in some aspects Thanks to hip hop excuse me baby hop I have inspired and been inspired to set precedence in taking part in some of the most amazing things ever In baby hop I found a voice a stage a shoulder a goal a friend but most importantly I found a purpose With this book In The Arms of Baby Hop I found the strength courage and inspiration to open up and write about some of the most interpersonal experiences and road blocks in life over the last 20 years I also found a way to thank baby hop for inspiring me not only to get through the road block but to gyrate giggle respect the power of music and rejoice along the way In short I deliver to you In the Arms of Baby Hop the unrecorded double LP the rappin book
