Volume 4 Gery Malanda, In this book we learn that God will never break His covenant nor ever alter the word coming out of His mouth for He watches over His word to perform it As we go through this study we learn to minister as Jesus ministered and how to heal the sick and cleanse the lepers and raise the dead as Jesus did We also learn all about Paul s thorn in his flesh and what it actually was that was afflicting him and also about the calamities of Job and why they came on him We have been given The Measure of the Father which is the Faith of Jesus and that Faith is knowing that God your Father is always faithful full of love always good and is willing to use His power to meet your desires and is not slow concerning His promises So we learn how to step out in faith and do what we have been called to do And lastly we address the question many people ask Can I sow into some ones anointing *Application of The Perfect Redemption Plan: Volume 1* Gery Malanda, The reason we did the series of the Redemptive names of God and the application of those names is because we believe according to the scriptures that if Jesus had to do it again He would add nothing to it because it was perfect God wants us to see ourselves in the light of that revelation that we should purpose in our heart to become perfect as our Lord Jesus is Perfect The aim of these studies is that people around us will be able to see Jesus through us and the works of Jesus through us All we do in the Kingdom of God is to demonstrate the love of God to the people around us **Spiritual reading for every day: an introduction to the interior and perfect life, arranged in 53 lessons, made up from holy Scripture, the Devout life [of st.
