

Safety around dogs

The bond between your child and dog can bring fun and happiness to family life. We don't expect our own dogs to bite, but any dog can bite if they feel they have no other option.

Children are most likely to be bitten at home, by a familiar dog. Luckily most bites are preventable and close supervision is key.

A calm, happy dog is less likely to react strongly to children's natural behaviour.

- Give your dog space after interaction that isn't going well (and the child's take their attention away from the dog)
- Keep them occupied: physical exercise and mental stimulation keeps your dog happy
- Teach your child to be calm and respectful: your dog is not a toy, a snack, a blanket or a cushion

Close supervision is the most important thing to keep children safe.

- Watch, listen and intervene whenever your child and dog are together
- If either your dog or child seems unhappy, restless or acting separately from the other, your dog should be kept away from your child
- Understand your child's behaviour: make sure you agree the best boundaries or ground rules
- When you cannot be there to supervise during playtime, use safety gates to keep children and dogs separate. Do this your child or dog's age.

Trigger times - teach your child to be calm your dog whenever the are

- Feeding: do not feed a dog when up suddenly
- Grooming: being a hairy animal, dog might think you're going to hurt them
- Sleep: a dog is sleeping, don't wake them like they might not want to

First growing child - as your child changes, the rules can change too

- Teach the child to your child from an early age and keep explaining them as your child understands more
- A young child becomes more mobile, more changes needed, like using safety gates
- Think about whether changing family life will have more than one change that can lead to an unhappy dog

Still worried?

- Find a reward to encourage your dog to work with you, like a treat or a toy. Don't challenge dog's health and can they be a special animal between you
- Get the **Animal Behaviour and Training board** advice to help you feel confident about your dog

Tammy Gagne

Be A Dogs Best Friend A Safety Guide For Kids:

Be a Dog's Best Friend Renee Payne, Jennifer Gladysz, 2009-05-22 Kids can often do all of the wrong things when they interact with dogs and adults don't always know how to properly read a dog to determine whether or not their child is safe. *Be A Dog's Best Friend* gives parents and educators the tools to guide kids to a safer life with the dogs they meet and dogs they live with.

Speaking Dog Tammy Gagne, 2011-07 Jason Bourne is one of the most popular and compelling characters in modern fiction. Originally created by bestselling author Robert Ludlum, now New York Times bestselling writer Eric Van Lustbader carries on Ludlum's legacy with a new novel about the rogue secret agent who has lost his memory. Jason Bourne has been pursued by powerful governments and escaped. Hunted by the most skilled assassins in the world and outsmarted them. Targeted by terrorists and defeated their plans for global chaos. But now Bourne wants only one thing: retribution. *THE BOURNE RETRIBUTION* Bourne's friend Eli Yadin, head of Mossad, learns that Ouyang Jidan, a senior member of China's Politburo and a major Mexican drug lord, may have been trafficking in something far more deadly than drugs. Yadin needs Bourne to investigate. Bourne agrees, but only because he has a personal agenda. Ouyang Jidan is the man who ordered Rebeka, one of the only people Bourne has ever truly cared about, murdered. Bourne is determined to avenge her death, but in the process, he becomes enmeshed in a monstrous world-wide scheme involving the Chinese, Mexicans, and Russians. Bourne's increasingly desperate search for Ouyang takes him from Tel Aviv to Shanghai, Mexico City, and ultimately a village on China's coast where a clever trap has been laid for him. Bourne finds himself pursued on all sides and unsure whom he can trust. As he moves closer to Ouyang, closer to avenging the woman he loved, he also moves ever closer to his own death.

A Kid's Guide to Dogs Arden Moore, 2020-03-17 This fun and informative book gives young dog lovers the canine know-how they need to make having a dog a positive experience for all pup kids and parents alike. *A Kid's Guide to Dogs* delivers the basics of caring for and training a dog to develop good canine habits with humor and creativity. In addition to learning about dog health and preparing for the arrival of a new dog at home, kids will discover fascinating tips on decoding a dog's body language and how to teach a dog simple tricks. Full of colorful photos and illustrations, the book features easy crafts for making a dog bed, a doggy piñata, and toys, and offers dozens of ideas for getting both kids and dogs active with indoor and outdoor games, hiking, swimming, and even a dog party with special treats kids can make themselves. Animal behavior consultant Arden Moore brings her expertise and years of sharing her pet knowledge with audiences on radio, television, and in live talks and award-winning books to this kid geared guide. Whether the dog is new to the household or a long-time family member, this is the perfect resource for getting kids to take more responsibility for and have more fun with their canine companion.
