*Be the Cat* Blaine Parker, 2014-03-10 Cats and marketing Be serious We are serious Serious as a cat Emotionally honest The Avenger of the Gods A work of genius Love them or hate them cats are epic Some of history's great thinkers have said pithy things about them Understand the genius of the cat and you can start to understand the genius of your business Yes your business has genius What most businesses are missing is an understanding of that genius a genius that becomes manifest as brand Understanding that genius and the resulting brand can change things And that genius can be revealed by reflecting on the feline The genius is within You can love the cat Or hate the cat But understand the genius of the cat and you can begin paving the way to profitable marketing Want to win hearts and minds Be the cat **Tapping the Green Market**
