*The Revelation Commentary* Dennis James Woods,2025-04-27 Jesus prophesied that the great tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation Have popular rapture theories convinced many that Revelation does not apply to the church Would God providentially place Revelation in the New Testament if the church really didn t need it In this powerful verse by verse commentary Dennis James Woods presents a unique Prewrath interpretation of Revelation critiquing the widely accepted Pretribulation rapture theory The commentary argues that Revelation was written for the church and that much of its content directly applies to believers Woods provides historical context theological analysis and practical insights offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end time events Revelation is the only book in the world with specific details that tell us where this world is heading It s the only book in the Bible that begins with a special blessing for those who read it If the church is to be raptured before the Antichrist comes praise God But what happens if that s wrong Then the book of Revelation marginalized by so many will become a vital guide for prophetic events to come    **The Revelation** David W. Edwards,2023-06-29 How many times is Armageddon mentioned in the Bible Where do we find mention of the antichrist What is the mark of the beast How many battle scenes are there in the Revelation How many battles are there in the Revelation Which is the most musical book in the New Testament Where can I find a calendar of end times events These and many more questions are answered in this hopeful and inspiring treatment of one of the most controversial books of the Bible According to the author the book of the Revelation should bring hope and confidence to the Christian life not fear and despair It is a book that looks forward with the joyful anticipation of faith to the return of Christ and the ultimate restoration of God s good creation    **Beacon Bible Commentary, V. 10 - Hebrews Through**
