

The background of the entire page is a high-contrast, close-up photograph of several Timken bearings. In the upper left, a bearing is shown from an angled perspective, revealing its inner ring, outer ring, and the arrangement of balls. The word 'TIMKEN' is visible on the inner ring. In the lower half, two more bearings are shown, partially overlapping each other, highlighting the smooth, polished surfaces of the races and the precision engineering of the components. The lighting creates strong highlights and shadows, emphasizing the metallic texture and circular geometry of the bearings.
