Beast Part 2 An Erotic Fairy Tale:

Sorority of Sluts: part 2 Cherie Wilde, Dixie met Zac s gaze and grinned She then opened her mouth and stuck out her tongue in mute request Zac s eyes widened in surprise A look of fierce lust then crossed his handsome face He pulled himself away from the wall and strode purposefully towards the centre of the basement As he approached Dixie every pair of eyes in the room suddenly fell upon the pair A murmur of anticipation swept the room as the Sorority understood Dixie s invitation Dixie returns for the next stage of her initiation hungry to prove she deserves a place in the most powerful Sorority on campus After surrendering to the pleasures of the Pledges in part one she now faces a far more daring challenge The ruling sisters summon half a dozen fraternity boys and command Dixie to satisfy every single desire these eager men bring to the room What follows is a wild test of lust and passion a heated spectacle that leaves even the seasoned Sorority girls breathless Far from shying away Dixie embraces every moment She gives the boys everything they crave then boldly begs for more determined to show the watching sisters just how far her lust can take her By the end of the night Dixie proves she is not simply willing She is made for this world of pleasure and power [Beauty and the Beast 2: An Erotic Fairy Tale \(BDSM\)](#)

Simone Holloway, A steamy BDSM twist on the classic fairy tale Beauty and the Beast The power of the castle s magic is tested when the manor is attacked by Belle s former suitor Gaston He s determined to rescue her but he ll have to overthrow the Beast first Meanwhile Belle s lessons into the the world of pleasure and pain continue Enchanted whips and chains make for an exciting foray in the dungeon but the best is yet to come as the Beast commands magic beyond Belle s wildest dreams Excerpt Trembling I held the light before me and approached the hidden door I raised my hand to feel along the wall Before I could touch it the wall slid open A cool breath blew my hair around my face Long curly tendrils snaked their way around me as if animated by ghostly hand At the end of the dark passage a red light pulsed The rose rested deep in the heart of the dungeon beckoning me closer I stepped into the passageway The hidden door slammed shut behind me I turned and pounded on it but it remained closed I felt for a secret lever or catch It was no use The wall was solid I could not leave unless she allowed it With nowhere to go but forward I marched on I walked to the dungeon quickly I didn t want the Beast to catch me snooping around and I hoped to find an exit It was unlikely I d be permitted to leave without the castle s consent but I was determined to try The dungeon door opened smoothly I stepped into the room and was instantly washed in red light The magic permeating the castle wreaked havoc on my nerves but here it was soothing like a hot bath I glanced at the instruments hanging from the wall So many still to try I thought with a smile I turned my attention to the rose It burned brilliantly beneath its glass case I placed my hands on the glass and peered inside The rose seemed to swell as if a great pressure had built up inside it The petals parted and opened A burning black light at the center held my gaze I was paralyzed enraptured by its depthless darkness **Maid for Sex, part 3** Cherie Wilde, Although I had experienced the joys of a girl s tongue on many occasions none of those experiences had prepared me for the frenzied almost violent tongue lashing to which

I was now subjected Like a starving woman finally allowed to eat Katia fed upon me with a rapacious greed that tore gasps of delight from me The petite maid s sharp clever tongue seemed to be everywhere at once And as she feasted upon me she dug her fingernails into the tender flesh of my thighs and bottom sending electric stabs of exquisite pain lancing through me Modern day chambermaid Roxie Gilmore is back for another round of decadent service at the luxurious estate of the shamelessly hedonistic Contessa Rossi This time the Contessa has devised a beauty treatment so wickedly intimate that Roxie and the other staff find themselves melting under each other s hands long before the real fun even begins What follows is a feverish night where every craving is explored and every limit is tested Roxie is swept into a cascade of pleasure with the Contessa and her eager household each encounter hotter than the last as they surrender to wave after wave of desire Once again Roxie proves she can take anything her employer demands and still beg for more hungry for the next indulgence that will leave her shaking with bliss

Maid for Sex, part 1 Cherie Wilde, Dahlia gazed around the familiar room Then when she saw me sitting naked on the couch my legs spread wide her eyes widened with surprise But as the girl drank in my nakedness I sighed at the expression that now crossed her face It wasn t a look of shock that I now saw reflected in the receptionist s green eyes but rather one of profound lust With a shiver of delight I realised the sight of a naked woman splayed out on her boss s couch was not a unique event Then she met my gaze and her eyes glittered with fierce heat When sexy young Roxie Gilmore applies for a maid position in the home of a wealthy Contessa she expects dusting polishing and a generous salary What she does not expect is the shocking revelation that her real duties involve obeying the Contessa s every sexual command no matter how bold or depraved Before she can be hired Roxie must pass an intimate interview unlike anything she has ever faced The Contessa demands a display of shameless obedience ordering Roxie to pleasure herself slowly then prove her true dedication by tending to another woman s bottom with the same eager enthusiasm Fortunately for Roxie her appetite for pleasure matches the Contessa s wicked imagination Instead of shying away from the challenge she leans into it showing exactly how dirty she can be and how far she is willing to go to earn the job

Sorority of Sluts: part 1 Cherie Wilde, Dixie became aware of a deep thrill of expectation now enveloping her almost as if some live wire had been tripped flooding the basement with emotional electricity Madison s voice rang out once more When Dixie heard the dark haired girl s order she suppressed a sigh of pleasure Strip the Sorority President commanded Dixie has always dreamed of joining the most exclusive Sorority on campus a secretive sisterhood known for beauty privilege and whispered after dark rumours When she earns a coveted place on the shortlist she discovers the brutal truth only one girl will be chosen and all six Pledges must prove just how far they are willing to go What begins as a daring initiation quickly unfolds into a night of shameless temptation The Pledges are urged to explore their own desires before turning their hungry attention on each other every heated touch raising the stakes and blurring the line between competition and craving Surrounded by seductive rivals and watched by the ruling sisters Dixie must show she can surrender tease and take control in equal measure If she wants

the Sorority she must earn it in the most intimate way imaginable Ten girls One night Lust decides who wins *The Horror Sensorium* Angela Ndalians,2012-10-03 Horror films books and video games engage their audiences through combinations of storytelling practices emotional experiences cognitive responses and physicality that ignite the sensorium the sensory mechanics of the body and the intellectual and cognitive functions connected to them Through analyses of various mediums this volume explores how the horror genre affects the mind and body of the spectator Works explored include the films 28 Days Later and Death Proof the video games Resident Evil 4 and Doom 3 the theme park ride The Revenge of the Mummy transmedia experiences associated with The Dark Knight and True Blood and paranormal romance novels featuring Anita Blake and Sookie Stackhouse By examining how these diverse media generate medium specific corporeal and sensory responses it reveals how the sensorium interweaves sensory and intellectual encounters to produce powerful systems of perception **Meaning and Significance: the Limits of Archetypal Interpretation** William Byron Webster,1972
