Beating Goliath My Story Of Football And Faith:

Beating Goliath Art Briles, Don Yaeger, 2024-05-01 *Beating Goliath* is a memoir about overcoming loss and keeping faith by the innovative former head coach of the top ranked Baylor Bears college football team. Growing up in Rule, Texas, Art Briles learned at a young age the importance of hard work and faith from his parents. Soon that faith would be tested. On their way to see him play in a college football game, Briles' parents and aunt died in a car crash. This event shaped Briles into the man he is today. His father, Dennis, left him with a series of lessons. He taught his son that the world doesn't just hand you things; you have to earn them. And he taught him the influence that faith could have in his life. Briles put these lessons to work as a football coach where he established his reputation for turning struggling teams into winners from high school to the staff at Texas Tech to head coach at the University of Houston. Hired to coach Baylor in 2007, he was faced with a familiar task. Within three years, Briles led the Bears to their first bowl game in 15 years. Today, he instills those same lessons into his young players, helping them find a reason to excel. There are plenty of excuses for failure, but Briles surrounds himself with people who are fearless when it comes to chasing success. That is one of the many lessons he imparts to his readers with chapters that include *God and the Teaching of Dennis Briles*, *Finding Your Passion*, *You Can Change Attitude*, *Not Talent*, *Passing in the Land of Earl Campbell*. Everybody is a Captain. Filled with dramatic football stories and lessons learned, this book will inspire and entertain.

Goliath as Gentle Giant Jonathan L. Friedmann, 2022-01-17 In the Hebrew Bible and stories loyal to it, Goliath is the stereotypical giant of folklore: big, brash, violent, and dimwitted. *Goliath as Gentle Giant* sets out to rehabilitate the giant's image by exploring the origins of the biblical behemoth, the limitations of the underdog metaphor, and the few sympathetic treatments of Goliath in popular media. What insights emerge when we imagine things from Goliath's point of view? How might this affect our reading of the biblical account or its many retellings and interpretations? What sort of man was Goliath really? The nuanced portraits analyzed in this book serve as a catalyst to challenge readers to question stereotypes, reexamine old assumptions, and humanize the other. *The Christian Century*, 1920 *Book Review Index - 2009 Cumulation* Dana Ferguson, 2009-08 *Book Review Index* provides quick access to reviews of books, periodicals, books on tape, and electronic media representing a wide range of popular, academic, and professional interests.
